Royal Sisters 2017-02-01

in royal sisters anne edwards author of the best selling vivien leigh a biography and matriarch queen mary and the house of windsor has written the first dual biography of elizabeth the princess who was to become queen and her younger sister margaret who was to be her subject from birth to maturity they were the stuff of which dreams are made i m three and you re four the future queen then a child imperiously informed her sister the younger girl not understanding this reference to their position in the succession proudly countered no you re not i m three you re seven the royal sisters had no choice in their historic positions but behind the palace gates and within the all too human confines of their personalities they displayed tremendous individuality and suffered the usual symptoms of sibling rivalry royal sisters provides an unprecedented and intimate portrait of these most famous siblings during their formative and dramatic youthful years it is also one of the twentieth century s most fascinating stories of sisterly loyalty edwards s book is an honest look at how the royal sisters feel toward each other their parents their close relations and the men whom they have loved it openly discusses with new insights and information the romance of elizabeth and philip and the tragic aborted love affair between margaret and group captain peter townsend and it has a cast of characters ranging from the youthful sisters suitors to winston churchill and the entire royal family it is also the story of the making of a queen of the high drama of her situation in the townsend affair of the real effect their uncle s abdication had on the sisters lives and of the internecine feuds that have brewed within the royal family since that time brought vividly to life through the many personal interviews of close royal associates filled with new facts previously unpublished anecdotes and photographs royal sisters is a never before glimpsed look at the relationship of the queen and princess margaret

Elizabeth the Queen 2012-01-10

new york times bestseller this excellent all embracing the new york times biography of queen elizabeth ii is a magisterial study of the woman known only from a distance and

a captivating window into her decades long reign from the moment of her ascension to the throne in 1952 at the age of twenty five queen elizabeth ii was the object of unparalleled scrutiny but through the fog of glamour and gossip how well did we really know the world s most famous monarch drawing on numerous interviews and never before revealed documents acclaimed biographer sally bedell smith pulls back the curtain to show in intimate detail the public and private lives of queen elizabeth ii who led her country and commonwealth through the wars and upheavals of the last twentieth and twenty first centuries with unparalleled composure intelligence and grace in elizabeth the queen we meet the young girl who suddenly becomes heiress presumptive when her uncle abdicates the throne we meet the thirteen year old lilibet as she falls in love with a young navy cadet named philip and becomes determined to marry him even though her parents prefer wealthier english aristocrats we see the teenage lilibet repairing army trucks during world war ii and standing with winston churchill on the balcony of buckingham palace on v e day we see the young queen struggling to balance the demands of her job with her role as the mother of two young children sally bedell smith brings us inside the palace doors and into the queen s daily routines the red boxes of documents she reviewed each day the weekly meetings she had with twelve prime ministers her physically demanding tours abroad and the constant scrutiny of the press as well as her personal relationships with her husband prince philip the love of her life her children and their often disastrous marriages her grandchildren and friends

The Real Elizabeth 2012

a biography of elizabeth ii she is the fifth longest reigning monarch in british history and one of the most famous people in the world yet despite a life lived at the center of the international stage elizabeth ii remains an enigma what kind of person is she what does she stand for how has she adapted to her role if at all how does she cope with problems that threaten the survival of the monarchy itself now in the most authoritative and probing biography of queen elizabeth to date one of britain s most distinguished biographers and political historians reveals the sometimes surprising answers in the queen ben pimlott creates a richly detailed compelling portrayal of elizabeth ii the individual the institution and the icon written with the cooperation of buckingham palace this distinguished biography is enriched by unprecedented access to government and palace archives as well as interviews with dozens of persons close to the queen including princess margaret the archbishop of canterbury lord runcie lord charteris the queen s longtime private secretary and hardy amies the royal dressmaker and by access to the private diaries of jock colville who served as private secretary to both the queen and winston churchill the result is a penetrating examination that goes far beyond the typical royal biography with the same sharp historical focus he brought to his acclaimed portrait of harold wilson pimlott reveals how elizabeth s image has been manufactured and manipulated from her earliest childhood to suit the need of government he explores the social political and psychological influences that shaped the queen s personality and the ideas she represents pimlott brings an illuminating perspective to the queen s relationship with her prime ministers and he offers an intriguing view of the phenomenon of the monarchy itself and of its future beginning in 1926 the year of elizabeth s birth and britain s infamous general strike and continuing all the way into the era of di and fergie this masterfully written account of the very public life of a very private woman is a fascinating at times provocative and vastly entertaining book it is candid respectful intelligent and certain to win admiration for both the author and his royal subject there will not be a better royal biography for many years the daily telegraph london pimlott has succeeded triumphantly he has written a book that can be enjoyed and admired by people who would never have imagined reading any previous royal biography the independent london an important and stimulating book antonia fraser author of mary queen of scots in the guardian london

Queen Elizabeth 1953

celebrate queen elizabeth ii and her family in this inspiring tribute to the historic life and reign of britain s longest serving monarch for 70 years queen elizabeth ii showed an unwavering commitment to her country and she will be remembered as not only britain s most beloved and longest reigning monarch but as a symbol of pride and inspiration everywhere this book reflects on elizabeth s remarkable story and looks at her years as princess her war time service her coronation and her role as queen both at home and across the world each page of this charming book will introduce young readers to something new and exciting about the queen from her love of horses to the palaces and castles she lived in it will tell them about her relatives the princes princesses dukes and duchesses that make up her family making this a wonderful celebration of modern british history queen elizabeth ii and her family has been revised to include 12 new pages that capture recent key events like the birth of prince louis the platinum jubilee in 2022 and the queen s state funeral with full color photographs to complement the simple age appropriate text this is simply the perfect gift to commemorate queen elizabeth ii

Queen Elizabeth II 1974

a celebration and a tribute this is a dazzling pictorial account of the reign of queen elizabeth ii her family and the history of the british monarchy back cover

The Queen 1997-09-11

includes pictures of the queens and important people places and events in their lives discusses the elizabethan era and victorian era in depth and looks at their legacies and depictions in pop culture video et taceo i see and say nothing queen elizabeth i since it has pleased providence to place me in this station i shall do my utmost to fulfil my duty towards my country i am very young and perhaps in many things though not in all things inexperienced but i am sure that very few have more real good will and more real desire to do what is fit and right than i have queen victoria 1837 england has had no shortage of influential monarchs but only queen elizabeth i and queen victoria had their nation s age literally named after them both the elizabethan era and victorian era have come to symbolize a golden age of peace and progress in every aspect of british life with the long reigns of both queens also providing stability when queen elizabeth ii came to the throne in 1952 many commentators heralded the beginning of her reign as the second elizabethan age the first one of course concerned the reign of henry viii s second surviving daughter and middle surviving child queen elizabeth i one of england s most famous and influential rulers it was an age when the arts commerce and trade flourished it was the epoch of gallantry and great enduring literature it was also an age of wars and military conflicts in which men were the primary drivers and women often were pawns elizabeth i changed the rules of the game and indeed she herself was changed by the game she was a female monarch of england a kingdom that had unceremoniously broken with the catholic church and the vatican and the rest of christendom was baying for her blood she had had commercial and militaristic enemies galore in the end she helped change the entire structure of female leadership elizabeth i still wielded great power in the 16th century whereas victoria was a constitutional monarch with limited power over the workings of the british government but in a way that made victoria even more unique as she still proved able to mold the cultural identity of a nearly 65 year long epoch furthermore victoria established some of the ceremonial customs of the british monarch and became both the forerunner and role model of subsequent queens a legacy that continues to endure with her great great granddaughter queen elizabeth ii though britain s longest reigning monarch is now mostly associated with conservative values particularly strict morality and traditional social and gender roles victoria and her era oversaw the cultural and technological progress of britain and the west in general architectural revivals and the expansion of imperialism while some of

these developments have been perceived negatively over a century later britons of the 19th century and early 20th century often viewed the victorian era as the height of their nation s power and influence england s greatest queens chronicles the lives and reigns of elizabeth i and victoria as well as the eras they lived in along with pictures of important people places and events in her life you will learn about queen elizabeth i and queen victoria like you never have before in no time at all

Queen Elizabeth II and her Family 2023-01-17

a stunning and revelatory oral history of queen elizabeth ii and her reign there seems an unquenchable fascination with the british royal family on both sides of the atlantic borne out by the popularity of the crown on netflix the spotlight on the sussexes and cambridges and the media attention on the death of prince philip these detailed interviews and insightful accounts range from the very early years of her reign to prince phillip s death in 2021 covering the shocking death of her father and the adjustment required of a newly married couple as well as the turmoil of the later years and her grandchildren s families this lavishly produced paperback with rarely seen color photos paints a full detailed and sympathetic portrait of a life lived in service featuring interviews from diverse sources from private staff at buckingham palace and family friends to international figures like nelson mandela it contains a broad spectrum of views on queen elizabeth ii her story and her personality and how her life has intersected and impacted others

Queen Elizabeth II and the Royal Family 2015

includes pictures includes quotes by the queen about her life and reign includes online resources and a bibliography for further reading includes a table of contents when i was twenty one i pledged my life to the service of our people and i asked for god s help to make good that vow although that vow was made in my salad days when i was green in judgement i do not regret nor retract one word of it elizabeth ii until the implementation of new legislation on march 26 2015 men were given preference to women in the british royal line this system of male primogeniture meant that women seldom inherited the throne and even when they did they were often dominated by male councillors those women who married british kings gained the title of queen but they were queen consorts holding the title with no power this makes elizabeth ii one of a select few queens regnant queens ruling in their own right and one of even fewer to set her own course in the history of her family and its throne this is ironic given that history and elizabeth s relation to preceding monarchs made it highly unlikely that she would ever even inherit the throne it was only the abdication of her uncle in circumstances that shocked the world that put the young princess elizabeth s father on the throne and made her the heir in less tumultuous times hers would not have been the head that wore the crown nonetheless queen elizabeth ii has become so much a part of british society and culture that her presence is taken almost for granted setting the standard people now expect of a british monarch the longest lived and second longest reigning monarch in british history elizabeth ii has overseen her country during a time of incredible turmoil and ever accelerating change providing a stable figure at the heart of a nation going through seemingly endless upheavals her impact in this regard extends beyond the united kingdom and all the way to those countries of the commonwealth over which she is still monarch in too many ways to count hers has been an extraordinary reign but even as she has been able to portray herself as a figure of tradition she has been a modern queen in many respects so even as she reaches old age and her subjects are forced to consider what life will be like without her she has set the royal family on a path to modernity queen elizabeth ii the life and legacy of britain s second longest reigning monarch traces the life of elizabeth ii and the history of her reign along with pictures of important people places and events you will learn about queen elizabeth ii like never before in no time at all

England's Greatest Queens 2017-11-08
