Home Learning Year by Year, Revised and Updated

2011-11-08

with 140 fewer pages than the fourth edition the fifth obviously has been tightened it s partly in the format with narrower margins and less white space otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift coverage of holocaust literature has been expanded and discussion of problem novels improved sports books have been dumped in with humor movies and other stuff including humorous poetry which it seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the english classroom coverage of which has been enlarged the chapter on sf and fantasy is good on historical aspects but weak on today s writers a short list of internet listserves and sites has been incorporated as part of using ya literature in the library once again updating of appendixes seems spotty nevertheless this is useful as a resource for youth librarians and a tool for teaching ya literature sally estes

Revision Strategies for Adolescent Writers

2009

from the american library association comes an expansive guide to teaching banned books to children at home or in the classroom with a forward by renowned children s author judy blume books matter in our polarized environment the censorship and outright banning of children s books remains a major concern for libraries the american library association an intellectual freedom champion has created this illuminating and expansive guide for book lovers who hope to teach children the importance of banned literature with a focus on modern books that have been banned along with classic literature that continues to be under attack for political or religious reasons teaching banned books to kids will educate adults and children about the importance of books with useful tools and techniques caregivers and educators will find the best ways to talk about banned books to children
