## ***The Motivation Toolkit: How to Align Your Employees' Interests with Your Own 2018-01-09***

renowned stanford economist david m kreps reveals the fundamental principles of employee motivation getting your employees to do their best work has never been easy but it is a particular challenge for knowledge workers who must attend to many different tasks and whose to do list is often ambiguous requiring outside the box thinking lists of dos and don ts are rarely effective instead your best bet is to align their interests with your own the heart of motivation and set them free to use their own drive and creativity on their and your behalf but how do you align their interests with your own how do you avoid incentive schemes that warp priorities encourage perfunctory and sloppy work or cause unethical behavior in the motivation toolkit economist and management expert david kreps offers a variety of tools drawn from the disciplines of economics and social psychology that you can adapt to your specific situation to achieve better motivation this starts with understanding both the economic and social relationship your employees have with their work their jobs and your organization then

using that understanding to find economic or psychological motivators that will work whatever your business and whether you re a newly minted manager a seasoned executive hungry for your employees best work or a curious leader looking for new ways to be effective the motivation toolkit will prove a useful and enlightening read
