between 1790 and 1820 by shifting focus away from high politics in Philadelphia and Washington. Hammond demonstrates that local political contests and geopolitical realities were more responsible for determining slavery's fate in the West than were the clashing proslavery and antislavery proclivities of founding fathers and politicians in the East. When efforts to prohibit slavery revived in 1819 with the Missouri controversy, it was not because of a sudden awakening to the problem on the part of Northern Republicans, but because the threat of Western secession no longer seemed credible. Including detailed studies of popular political contests in Ohio, Indiana, Illinois, Mississippi, Louisiana, and Missouri that shed light on the Western and popular character of conflicts over slavery, Hammond also provides a thorough analysis of the Missouri controversy, revealing how the problem of slavery expansion shifted from a local and Western problem to a sectional and national dilemma that would ultimately lead to disunion and civil war.

Slavery, Freedom, and the Law in the Atlantic World + Black Americans in the Revolutionary Era

+ Lincoln, Slavery, and the Civil War, 2nd Ed. 2011-10-14

gathers first hand accounts of slavery and the efforts of black americans to transform the civil war into a war to end slavery

Free at Last 1992

freedom as marronage deepens our understanding of political freedom not only by situating slavery as freedom s opposite condition but also by investigating the experiential significance of the equally important liminal and transitional social space between slavery and freedom roberts examines a specific form of flight from slavery marronage that was fundamental to the experience of haitian slavery but is integral to understanding the haitian revolution and has widespread application to european new world and black diasporic societies he pays close attention to the experience of the process by which people emerge from slavery to freedom contending that freedom as marronage presents a useful conceptual device for those interested in understanding both normative ideals of political freedom and the origin of those ideals roberts investigates the dual anti colonial and anti slavery
