Pierre Drieu La Rochelle pellegrino del sogno 2016-03-16 perché leggere o rileggere oggi pierre drieu la rochelle in questo breve e agevole saggio sandro marano cerca di darci una risposta plausibile tratteggiando la figura dell uomo e dello scrittore francese e soffermandosi su alcune tra le sue opere più significative sia di saggistica che di narrativa in poche parole per l autore drieu è un pellegrino del sogno vale a dire è un uomo che cammina che sente e vive drammaticamente la crisi del mondo moderno e la decadenza di un intera civiltà e lungi dall alzare bandiera bianca combatte a viso aperto proponendo una determinata concezione del mondo ben sapendo che il sogno senza l azione è sterile e che l azione senza il sogno è cieca drieu dunque ci appare come un fratello maggiore un compagno di viaggio che attraversa le paludi del nichilismo si rivolta e medita un nuovo ordine nei suoi scritti ritroviamo un afflato che ci accomuna i suoi interrogativi sono anche i nostri le sue speranze e le sue delusioni sono anche le nostre a poco più di settant anni dalla sua morte drieu continua ad essere ristampato e letto da una piccola cerchia di lettori che l autore si augura di poter allargare ogni generazione a suo modo lo riscopre cogliendo di questo ribelle contro la pesantezza dell ordine contro la negligenza degli uomini a essere felici accenti tematiche narrazioni che non si trovano altrove con una battuta si potrebbe dire che i suoi scritti non essendo alla moda non passano mai di moda

Bulletin de géographie historique et descriptive 1898 of ub s medical school that ub developed its school of arts and sciences and thus assumed its place among the other institutions of higher education had fillmore lived throughout ub s first seventy years he would probably have been elated by the success of his university and he should have been satisfied and pleased that ub remained intrinsically bonded to its

community while at the same time engrafting the values and standards important to higher education s mission in the region ub and its medical school have undergone many challenging transitions since 1846 included among them were 1 the completion of an academic campus in the far northeast corner of the city of buffalo while leaving its medical dental and law schools firmly situated in the core of downtown buffalo 2 the eventual relocation after the second world war of the law school to the newer campus in amherst and the medical and dental school to the original academic campus and 3 the merger with the state university of new york system in 1962 despite these significant transitions any one of which could have changed the intrinsic integrity of ub and disrupted the bonding between community and university that did not happen to this day the ties between community and academe persist fillmore and white should celebrate their success and important contribution to buffalo and western new york
