order your copy today drama death glory and love flowed through the blood of the egyptians under the watchful eyes of their gods goddesses ancient egypt was one of the greatest most powerful civilizations in the world ever and of all ancient civilizations egyptians rule supreme when it comes to mystery and fantasy from the lavish colors of their papyrus to how they mastered building technology thousands of years before anyone else and to the legends surrounding the lives and deaths of their kings

egyptians are an eternal source of awe not only did they know how to build great structures they also knew how to have fun they loved beer and board games they used makeup and they allowed women more freedom than many other women in the ancient world you see game of thrones has nothing on the intricacies wars and battles egyptian dynasties fought for thousands of years ancient egypt has it all drama love stories myths massive buildings death destruction and pain let s listen to them and explore their timeless stories all of this and much more including the timeline of ancient egypt the rise the fall discover the gods goddesses of ancient egypt their classic stories the mystery miracle of how the pyramids were built was it aliens or astronomy cleopatra s legacy the most famous pharaoh femme fatale the afterlife burials tombs how an ancient egyptian mummy was made isis osiris the greatest love story of all time the mummy curse what killed people who opened king tut s tomb decoding the secrets of egyptian hieroglyphs interesting facts about egyptian culture art music literature ra the sun god of ancient egypt facts symbol powers and much much more this book will fuel your appetite for all the amazing and perhaps frightening things ancient egyptians were and did begin your journey of discovering not only ancient egypt but also its legends mythology and much more with this book the astonishing discovery of the valley of the golden mummies in bahariya oasis deep in the western desert of egypt is considered perhaps the most spectacular egyptian archeological discovery since that of tutankhamun s tomb this

vast site was uncovered by accident when a donkey stumbled into the opening of one of the many underground tombs of a 2 000 year old cemetery believed to cover approximately two square miles never before have so many mummies been discovered at a single site multi chambered tombs dating from the roman period in egypt held rows of mummies many adorned with gilded masks and painted cases others wrapped in linen whole families were found placed together jewelry pottery amulets and other artifacts were also uncovered and it is estimated that as many as 10 000 mummies may ultimately be uncovered from the site which has escaped plunderers and is thus remarkably intact featuring some 250 color illustrations most of which have never before been published this exciting book reveals the lives customs and religious beliefs of this until now little known community as such it will both fascinate and enthrall all those with an interest in the ancient history of egypt the gods of ancient egypt conjure up images of hieroglyphs with animal headed people fantastic civilizations and a past that seems both unimaginably distant and still tenuously connected to the present day although the names ra anubis and isis still linger today in modern fiction the truth about these gods reveals the ancient egyptians themselves inside you will read about osiris anubis isis ra maat hathor wadjet nefertum and many more a look at the principal gods of ancient egypt gives insight into the culture of world s first great civilization even today their moments their obelisks and their pyramids endure and remind us

that people can leave lasting marks on the world that humble and inspire us all michael rosen professor of children s literature at goldsmiths university of london and bestselling author poet and broadcaster introduces these great myths and legends of ancient egypt travel back deep in time to ancient egypt and discover the great myths and legends of the sun god amen ra the love story of osiris and isis the curse of the book of thoth and many other captivating tales of magic treasure and aventure from one of the oldest and most fascinating civilizations in the world a volume of essays designed to accompany the catalogue of the same title it aims to place the achievements of american egyptologists into a broader context with essays on 10 successive periods of egyptian and nubian cultural history from the pre dynastic era to roman times the story of the boy king s short life including context of life in ancient egypt and details of the discovery of his tomb it is astonishing to think that many great archaeological discoveries occurred in egypt only by way of accident during the 19th and 20th centuries even today accidents still play a vital frequent and sometimes comical role with new discoveries happening almost weekly and with many more secrets of the ancient egyptian civilization still remaining this book takes readers beyond these discoveries and their associated accidents this book cannot be considered purely as an egyptological and archaeological reading or even as dry history pages covering egypt s modern era of the 19th and 20th centuries rather it is a book that sheds light on the intimate links between the birth

of egyptology after the deciphering of the famous rosetta stone and the raging world politics and regional power shifts in egypt and its surroundings the book ties together the political storms of colonialism in the first half of the 19th century and the unsettling effect these upheavals had on egypt during the reign of mohamed ali pasha in a storytelling style the book is a journey through time and place the book takes readers on a guided tour to most of egypt's well known monuments that were mainly discovered by simple accident or in which an accident played a major part leading to discovery in addition the book leads readers through time exploring ancient egypt the days of the pharaohs ancient gods rituals and public ceremonial festivals with old and new stories that shed light on the true value of such discoveries in antiquity and modern day the discover cats love to explore everywhere they can get their paws on learning is the best this time the discover cats head to ancient egypt to learn about egyptian mythology pyramids mummies pharaohs and everything else from thousands of years ago packed with plenty of historical facts this book will delight entertain and educate a highly accessible and simplified way to show your child the value and wonders of world history teach your child about different cultures and how to understand and respect them one of mankind's first and most interesting civilizations the concept of mythology the afterlife and unique belief systems original engaging humorous and re-readable jimmy nightingale possesses a unique understanding of child psychology which allows him to write tales that are

both educational and captivating for children the discover cats children s book series is aimed at educating children and inspiring a love of science and history jimmy combines adorable and charming characters with wit and humor that even adults will enjoy this series is perfect for children ages 3 11 and the adults that interact with them parents caretakers teachers relatives coaches and so on for free printable resources worksheets exercises and mazes visit bigbarnpress com the cairo genizah is considered one of the world s greatest hebrew manuscript treasures yet the story of how over a quarter of a million fragments hidden in egypt were discovered and distributed around the world before becoming collectively known as the cairo genizah is far more convoluted and compelling than previously told the full story involves an international cast of scholars librarians archaeologists excavators collectors dealers and agents operating from the mid nineteenth to the early twentieth century and all acting with varying motivations and intentions in a race for the spoils basing her research on a wealth of archival materials jefferson reconstructs how these protagonists used their various networks to create key alliances or to blaze lone trails each one on a quest to recover ancient manuscripts following in their footsteps she takes the reader on a journey down into ancient caves and tombs under medieval rubbish mounds into hidden attic rooms vaults basements and wells along labyrinthine souks and behind the doors of private clubs and cloistered colleges along the way the reader will also learn about the importance of

establishing manuscript provenance and authenticity and the impact to our understanding of the past when either factor is in doubt ms frizzle and her tour group are transported to acient egypt where they learn about the pyramids mummfication flooding of the Nile and other aspects of life in egypt long ago

the valley of the golden mummies 2011-07-28 the story of the boy king s short life including context of life in ancient egypt and details of the discovery of his tomb

Egyptian Gods 1996 it is astonishing to think that many great archaeological discoveries occurred in egypt only by way of accident during the 19th and 20th centuries even today accidents still play a vital frequent and sometimes comical role with new discoveries happening almost weekly and with many more secrets of the ancient egyptian civilization still remaining this book takes readers beyond these discoveries and their associated accidents this book cannot be considered purely as an egyptological and archaeological reading or even as dry history pages covering egypt s modern era of the 19th and 20th centuries rather it is a book that sheds light on the intimate links between the birth of egyptology after the deciphering of the famous rosetta stone and the raging world politics and regional power shifts in egypt and its surroundings the book ties together the political storms of colonialism in the first half of the 19th century and the unsettling effect these upheavals had on egypt during the reign of mohamed ali pasha in a storytelling style

the book is a journey through time and place the book takes readers on a guided tour to most of egypt s well known monuments that were mainly discovered by simple accident or in which an accident played a major part leading to discovery in addition the book leads readers through time exploring ancient egypt the days of the pharaohs ancient gods rituals and public ceremonial festivals with old and new stories that shed light on the true value of such discoveries in antiquity and modern day
