Книга предназначена для любителей и ценителей блюза

Т. 3. : [Цунтрий блюес

2004-07-01

Энциклопедия блюес — это первый полный авторитетный справочник по блюес как музыкальной форме. В то время как другие книги собирали биографии блюес исполнителей, никто не брал академический подход. А-з формат этой энциклопедии охватывает не только исполнителей, но и музыкальные стили, регионы, звукозаписывающие компании и культурные аспекты блюес, включая расовые и гендерные вопросы. Особое внимание уделяется дискографиям и библиографиям.

Encyclopedia of the Blues

1982

it started with the searing sound of a slide careening up the neck of an electric guitar in 1970 twenty three year old bruce iglauer walked into florence s lounge in the heart of chicago s south side and was overwhelmed by the joyous raw chicago blues of hound dog taylor and the houserockers a year later iglauer produced hound dog s debut album in eight hours and pressed a thousand copies the most he could afford from that one album grew alligator records the largest independent blues record label in the world bitten by the blues is iglauer s memoir of a life immersed in the blues and the business of the blues no one person was present at the creation of more great contemporary blues music than iglauer he produced albums by koko taylor albert collins professor longhair johnny winter lonnie mack son seals roy buchanan shemekia copeland and many other major figures in this book iglauer takes us behind the scenes offering unforgettable stories of those charismatic musicians and classic sessions delivering an intimate and unvarnished look at what it s like to work with the greats of the blues it s a vivid portrait of some of the extraordinary musicians and larger than life personalities who brought america s music to life in the clubs of chicago s south and west sides bitten by the blues is also an expansive history of half a century of blues in chicago and around the world tracing the blues recording business through massive transitions as a genre of music originally created by and for black southerners adapted to an influx of white fans and musicians and found a worldwide audience most of the smoky bars and packed clubs that fostered the chicago blues scene have long since disappeared but their soul lives on and so does their sound as real and audacious as the music that shaped it bitten by the blues is a raucous journey through the world of genuine houserockin music

Scott Henderson - Blues Guitar Collection (Songbook)

2021-02-23

in the late nineteenth century black musicians in the lower mississippi valley chafing under the social legal and economic restrictions of jim crow responded with a new musical form the blues in jim crow s counterculture r a lawson offers a cultural history of blues musicians in the segregation era explaining how by both accommodating and resisting jim crow life blues musicians created a counterculture to incubate and nurture ideas of black individuality and citizenship these individuals lawson shows collectively demonstrate the african american struggle during the early twentieth century derived from the music of the black working class and popularized by commercially successful songwriter w c handy early blues provided a counterpoint to white supremacy by focusing on an

anti work ethic that promoted a culture of individual escapism even hedonism and by celebrating the very culture of sex drugs and violence that whites feared according to lawson blues musicians such as charley patton and muddy waters drew on traditions of southern black music including call and response forms but they didn't merely sing of a folk past instead musicians saw blues as a way out of economic subservience lawson chronicles the major historical developments that changed the jim crow south and thus the attitudes of the working class blacks who labored in that society the great migration the great depression and new deal and two world wars he explains shaped a new consciousness among southern blacks as they moved north fought overseas and gained better paid employment the me centered mentality of the early blues musicians increasingly became we centered as these musicians sought to enter mainstream american life by promoting hard work and patriotism originally drawing the attention of only a few folklorists and music promoters popular black musicians in the 1940s such as huddie ledbetter and big bill broonzy played music that increasingly reached across racial lines and in the process gained what segregationists had attempted to deny them the identity of american citizenship by uncovering the stories of artists who expressed much in their music but left little record in traditional historical sources jim crow's counterculture offers a fresh perspective on the historical experiences of black americans and provides a new understanding of the blues a shared music that offered a message of personal freedom to repressed citizens

Sailor's Delight

2012-07

in women and rhetoric between the wars editors ann george m elizabeth weiser and janet zepernick have gathered together insightful essays from major scholars on women whose practices and theories helped shape the field of modern rhetoric examining the period between world war i and world war ii this volume sheds light on the forgotten rhetorical work done by the women of that time it also goes beyond recovery to develop new methodologies for future research in the field collected within are analyses of familiar figures such as jane addams amelia earhart helen keller and bessie smith as well as explorations of less well known yet nevertheless influential women such as zitkala Ša jovita gonzález and florence sabin contributors evaluate the forces in the civic entertainment and academic scenes that influenced the rhetorical praxis of these women each essay presents examples of women's rhetoric that move us away from the waves model toward a more accurate understanding of women's multiple diverse rhetorical interventions in public discourse the collection thus creates a new understanding of historiography the rise of modern rhetorical theory and the role of women professionals after suffrage from celebrities to scientists suffragettes to academics the dynamic women of this volume speak eloquently to the field of rhetoric studies today

Goldmine Record Album Price Guide

2018-10

traditional african musical forms have long been accepted as fundamental to the emergence of blues and jazz yet there has been little effort at compiling recorded evidence to document their development this discography brings together hundreds of recordings that trace in detail the evolution of the african american musical experience from early wax cylinder recordings made in west africa to voodoo rituals from the caribbean basin to the songs of former slaves in the american south

Jim Crow's Counterculture

1968-04-06

an award winning black feminist music critic takes us on an epic journey through radical sound from bessie smith to beyoncé daphne a brooks explores more than a century of music archives to examine the critics collectors and listeners who have determined perceptions of black women on stage and in the recording studio how is it possible she asks that iconic artists such as aretha franklin and beyoncé exist simultaneously at the center and on the fringe of the culture industry liner notes for the revolution offers a startling new perspective on these acclaimed figures a perspective informed by the overlooked contributions of other black women concerned with the work of their musical peers zora neale hurston appears as a sound archivist and a performer lorraine hansberry as a queer black feminist critic of modern culture and pauline hopkins as america's first black female cultural commentator brooks tackles the complicated racial politics of blues music recording song

collecting and rock and roll criticism she makes lyrical forays into the blues pioneers bessie smith and mamie smith as well as fans who became critics like the record label entrepreneur and writer rosetta reitz in the twenty first century pop superstar janelle monae s liner notes are recognized for their innovations while celebrated singers cécile mclorin salvant rhiannon giddens and valerie june take their place as cultural historians with an innovative perspective on the story of black women in popular music and who should rightly tell it liner notes for the revolution pioneers a long overdue recognition and celebration of black women musicians as radical intellectuals

Women and Rhetoric between the Wars

1970-09-05

2013

association of recorded sound collections awards for excellence best research in record labels certificate of merit 2012 the starday story the house that country music built is the first book entirely dedicated to one of the most influential music labels of the twentieth century in addition to creating the largest bluegrass catalogue throughout the 1950s and 60s starday was also known for its legendary rockabilly catalogue an extensive texas honky tonk outpouring classic gospel and sacred recordings and as a nashville independent powerhouse studio and label written with label president and co founder don pierce this book traces the label s origins in 1953 through the 1968 starday king merger interviews with artists and their families employees and pierce contribute to the stories behind famous hit songs including y all come a satisfied mind why baby why giddy up go alabam and many others gibson s research and interviews also shed new light on the musical careers of george jones arlie duff willie nelson roger miller the stanley brothers cowboy copas red sovine and countless other starday artists conversations with the children of pappy daily and jack starns provide a unique perspective on the early days of starday and extensive interviews with pierce offer an insider glance at the country music industry during its golden era weathering through the storm of rock and roll and later the nashville sound starday was a home to traditional country musicians and became one of the most successful independent labels in american history ultimately the starday story is

the definitive record of a country music label that played an integral role in preserving our nation's musical heritage

Woody Guthrie, American Radical

impeccable scholarship and lavish illustration mark this landmark study of american railroad folksong norm cohen provides a sweeping discussion of the human aspects of railroad history railroad folklore and the evolution of the american folksong the heart of the book is a detailed analysis of eighty five songs from john henry and the wabash cannonball to hell bound train and casey jones with their music sources history and variations and discographies a substantial new introduction updates this edition

Rhythms and Blues, Vol.1

an essential work for rock fans and scholars before elvis the prehistory of rock n roll surveys the origins of rock n roll from the minstrel era to the emergence of bill haley and elvis presley unlike other histories of rock before elvis offers a far broader and deeper analysis of the influences on rock music dispelling common misconceptions it examines rock's origins in hokum songs and big band boogies as well as delta blues detailing the embrace by white artists of african american styles long before rock n roll appeared this unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like hardrock gunter and sam theard but also the influence of celebrity performers like gene autry and ella fitzgerald too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences in before elvis birnbaum daringly argues a more complicated history of rock's evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and caribbean music into rhythm and blues written in an easy style before elvis presents a bold argument about rock's origins and required reading for fans and scholars of rock n roll history
