WALNECK'S CLASSIC CYCLE TRADER, FEBRUARY

~~2005 the sunday times no 1 bestseller one of nme s best~~
 music books of 2021 one of variety s best music books of
 2021 included in audible s best of the year list so i ve
 written a book having entertained the idea for years and
 even offered a few questionable opportunities it s a piece of
 cake just do four hours of interviews find someone else to
 write it put your face on the cover and voila i have decided
 to write these stories just as i have always done in my own
 hand the joy that i have felt from chronicling these tales is
 not unlike listening back to a song that i ve recorded and
 can t wait to share with the world or reading a primitive
 journal entry from a stained notebook or even hearing my
 voice bounce between the kiss posters on my wall as a child
 this certainly doesn t mean that i m quitting my day job but
 it does give me a place to shed a little light on what it s like
 to be a kid from springfield virginia walking through life
 while living out the crazy dreams i had as young musician
 from hitting the road with scream at 18 years old to my time
 in nirvana and the foo fighters jamming with iggy pop or
 playing at the academy awards or dancing with ac dc and
 the preservation hall jazz band drumming for tom petty or
 meeting sir paul mccartney at royal albert hall bedtime
 stories with joan jett or a chance meeting with little richard
 to flying halfway around the world for one epic night with
 my daughters the list goes on i look forward to focusing the
 lens through which i see these memories a little sharper for
 you with much excitement
