this book presents basic postulates concerning many esoteric concepts these include the concept of god what constitutes evil the nature and function of karma the manifestation of energy from the subtle planes of perception the nature of manifest divinity as veiled by the concept of the christ in the bible and the mysteries of being the analysis moves from my earlier buddhist writings to focus upon the information in the bible especially in relation to the nature of the reappearance of the christ which here is equated with the externalisation process of the hierarchy of enlightened being this doctrine concerns the mode of the evolution of transcendent perception by humanity the awakening of higher spiritual perceptions via the enlightenment path and the understanding of the psychic constitution of the nāḍīs and chakras are also explained a syncretic approach is therefore espoused through the comparison between eastern doctrines and the presented esoteric christianity in doing so many of the veiled hidden mysteries in the gospel story and the book of genesis are revealed the text shows how these religions are but aspects of one fundamental religious evolution of the historical development of what is known in the east as the dharma and in the western tradition as the law of god

the story of revelation the bible s climactic book unraveled in a modern easy to understand story guide by patrick j brannon why is revelation so hard to understand why is it so confusing why do people have so many contradicting beliefs why can t i just read it and understand the actual order of events answer the story telling style used in the books of revelation is not the same one we use today when we try to place our modern style onto the bible s ancient style the result is utter confusion the story of revelation takes the mystery and confusion out of the end times timeline using an easy to understand chapter by chapter breakdown of the book of revelation the end times will take

shape before you like you have never seen it will satisfy your desire to understand biblical events while using the story telling style you have always used in the story of revelation learn about the bible s ancient story telling style and how it s different today s when the rapture takes place you may be in for a shock the arrival of the antichrist it s probably not when you think when the wrath of god actually occurs revelation specifically takes you what the return of jesus looks like hold onto your seats and much much more take the guesswork out of revelation s timeline so you do not miss anything grab your bible and learn the order of end time events as told by jesus himself
