the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

Laws Relating to the National Park Service 2012

hartvig dahl this is a book about the future that we hope will arouse the curiosity of clinicians and point a direction for researchers it marks the surprisingly rapid evolution of psychodynamic psychotherapy research from an applied toward a basic science and as its title implies describes strategies to follow rather than results to live by it was not always thus a quarter of a century ago the editors of two volumes of psychotherapy research reports summarized the state of the field then

although there has been a great accumulation of clinical observations and experimental findings the field has made relatively little progress there has been little creative building on the work of others parloff and rubinstein 1962 psychological research generally has tended to be insufficiently additive research people often find it hard to keep informed of related work done on the same site and elsewhere and therefore do not build upon each other's foundation luborsky and strupp 1962
