explore the ancient stories and scientific discoveries of the great flood that may have occurred in the black sea region about 7 000 years ago learn how the flood could have affected the human history culture and environment and why it is still a controversial topic a flood myth or a deluge myth is a myth in which a great flood usually sent by a deity or deities destroys civilization often in an act of divine retribution parallels are often drawn between the flood waters of these myths and the primeval waters which appear in certain creation myths as the flood waters are described as a measure for the story of a great flood sent by god or the gods to destroy civilization as an act of divine retribution is a widespread theme among many cultural myths it is best known from the biblical story of noah but there are several other famous versions such as stories of matsya in the hindu puranas deucalion in greek mythology and answer genesis 6 9 records the events of noah s flood also called the great flood if the genealogy provided in genesis 5 is intended to be comprehensive we can determine the dates of various events by simply adding up the time spans between fathers and sons given in genesis 5 adam to seth 130 years seth to enosh 105 years explore the global flood myths from different cultures and religions and the scientific theories that try to explain them learn how climate change and rising sea levels could increase the risk of catastrophic flooding in the future learn about the atrahasis epic an ancient babylonian tale of a god sent flood that destroyed most of humanity discover how the story relates to other flood legends such as the biblical noah and the sumerian eridu genesis the genesis flood narrative chapters 6 9 of the book of genesis is a hebrew flood myth 1 it tells of god s decision to return the universe to its pre creation state of watery chaos and remake it through the microcosm of noah s ark 2 the great flood then the lord said to noah come into the ark you and all your household because i have seen that you are righteous before me in this generation you shall take with you seven each noah s ark is the boat that saved a generation of humans and animals when the god of israel decided to destroy the human race by sending a great flood upon the earth the story shares many elements with ancient neighboring civilizations of israel all of whom utilized concepts of a universal flood sent by divine elements for various reasons updated 17 october 2023 15 04 joanna gillan how sumerian tablets told the story of the great flood read later print the world s first known flood myth can be traced back to the sumerians around 2000 bc sumerian tablets recount captivating tales of human beginnings the creation of mankind and
