**Born of War in Colombia** 2024-04-12 born of war in colombia addresses why people born of conflict related sexual violence remain unseen within transitional justice agendas in colombia there are generations of children born of conflict related sexual violence across the country whispers of their presence have traveled outside their communities they also exist within the country s domestic reparations program which entitles them to reparations drawing on an immersive feminist ethnography with a community that endured a paramilitary confinement the book reveals how a past oriented and harm centered model of transitional justice has converged with a restricted notion of gendered victimhood and the patriarchal politics of reproduction to render the bodies and experiences of people born of conflict related sexual violence unintelligible to those seeking to understand and address the consequences of war in colombia

*Born Again and Again* 2020-08-11 got salvation what if salvation is not one more thing to acquire but an invitation to radical transformation christians often turn life and faith into one big quest for the good life we expect to get a good job loving spouse a life of comfort personal satisfaction oh and salvation with a cherry on top our acquisitive impulses aren t limited to lattes and designer jeans christians in power throughout history have focused on getting people saved possessing the land and gaining dominance in government but what if christianity isn t about striving for something more but about renouncing the power and privilege that prevent us from receiving god s abundant life what if we are called not to treat salvation as one more thing to pursue but as an invitation to conform to christ born again and again is the story of how a religion birthed on the margins of the roman empire became functionally the official religion of today s largest military superpower pastor and blogger megan k westra takes on the self serving form of christianity that has birthed the doctrine of discovery planet killing lifestyles and civil religion she leads readers into an encounter with the jesus who gave up everything to come to us and invites us to give up everything to come to him conforming to christ radically reorients our lives priorities and faith away from the pursuit of our own interests and toward a pattern of discipleship setting us free from fear based consumption and creating new possibilities for connection and belonging within the community of god s people

**A Democracy Is Born** 2007-09-30 in october 2004 more than eight million citizens of afghanistan turned out to vote in the first democratic election in the turbulent 5 000 year history of the country this incredible voter turnout in the face of horrific threats and actual bullets rockets and bombs was a shout of defiance and a significant setback to the former taliban regime and their al qaeda allies it was a stunning success and serious step forward for the afghan people and for the united states in the campaign against international terrorism the change is more dramatic than the american revolution in the aftermath of which the new american democracy maintained a representative form of government similar to its british roots the change is also more positive than the french revolution which degenerated into tyranny and anarchy the afghan revolution of democratic governance albeit aided and guided by international military and political powers is thus one of the most historic events of our time written by a former u s army intelligence officer this book provides readers with a candid account of afghanistan s first presidential election and its subsequent transition to democratic self governance in particular morgan speaks to the security apparatus and the measures protecting the election the election s security process marked a defeat for the al qaeda and taliban terrorist insurgents attempting to frustrate afghanistan s transformation into a democratic nation morgan s narrative of afghan development is interspersed with firsthand personal accounts from the author s eleven month deployment as an officer serving in the u s military in afghanistan his stint there embedded within the united nations in a civilian clothes role enables him to write from the perspective of a un

security officer offering insights beyond those that might be gained on the battlefield
