a learner when her child went off to school maya smart was shocked to discover that a good education in america is a long shot in ways that few parents fully appreciate our current approach to literacy offers too little too late and attempting to play catch up when our kids get to kindergarten can no longer be our default strategy we have to start at the top the brain architecture for reading develops rapidly during infancy and early language experiences are critical to building it that means parents work as children s first teachers begins from day one too and we need deeper knowledge to play our positions reading for our lives challenges the bath book bed mantra and the idea that reading aloud to our kids is enough to ensure school readiness instead it gives parents easy immediate and accessible ways to nurture language and literacy development from the start through personal stories historical accounts scholarly research and practical tips this book presents the life and death urgency of literacy investigates inequity in reading achievement and illuminates a path to a true transformative education for all the 2009 edition of christ our life for grades 1 8 and started a family retired from the military and pursued a second civilian career you hear his frustration and joy in his own words as if he was speaking to us life s calendar is a 100 page calendar for 100 years of life it s not a day day calendar but your tangible calendar in your home to list life events and successes challenges and goals to help you plan your whole life where is our path taking us there is more to our identity than our physical bodies our soul s journey is an extremely important part of our life when living within the energy of the 5th dimension our hearts and souls are beginning to expand as time is forever changing we can learn to evolve internally and externally eliminating any limitations that we have placed upon ourselves by thinking out of the box approaching life by consciously monitoring our thoughts feelings and actions can lead to our soul s growth and our soul s advancements on a path of making small changes which can result in major shifts in our level of consciousness that allows us to see the divine spark within now viewing the impossible as possible we can find peace with the chaos in our life by finding peace within our hearts as we gradually learn to raise our vibrations by changing our perception and our way of thinking we can easily and effortlessly shift the course of our life when we tap into the divine knowledge and wisdom drawing from our intuitive knowledge in order to align and empower our magnificent being through these changes we can bring forth the potential to bridge the gap between the physical and spiritual worlds we are about to venture off to a new journey to learn about our own unique higher self and our own personal quest for a deeper understanding of our own life through the world around us we will be establishing a connection with the deeper sense of self by finding our true center our balance and gaining the ability to connect by interweaving the opportunities and possibilities of both the physical and spiritual worlds knowledge is power only knowledge can assist us in finding the key to higher levels of consciousness the 2009 edition of christ our life for
