so you couldnt get a hold of him the other day hes told you more than a few times that hes out with his male friends you seldom see or know maybe he stayed out hours after everyplace in town had closed or perhaps hes displayed some other behavior that had you suspicious of his real whereabouts well if you combine these seemingly minor discrepancies with other actions in a relationship then possibly your man is up to no good he could be having an affair right under your nose it doesnt matter if youve been with him for three weeks or thirty years there are men in our society who simply refuse to be faithful its like they just have to be like a dog they will attempt to use all kinds of tactics and lies to keep you thrown off of their casual encounters in a nut shell they dont want you to ever discover that they are up to no good after all they did use whatever skills they possessed to land you in their life these men want to have their cake and eat it too what has it really gotten you if youre anything like most women who have gone through being with an unfaithful man then its probably consisted of countless days of headaches heartaches and a bunch of unnecessary drama in your life now here is the chance to know when your man is up to no good this book written by a man who cares and has over 25 years of experience with relationships will shed more light to every womans eyes to particular behaviors to be aware of from the man who is in your life or attempting to be in your pants and it will share specific characteristics to completely avoid from the

very beginning how to know when your man is up to no good will have you paying much more attention to small details that you once ignored in the end if you do it right youll have much more satisfaction in your personal life a must own for every woman on the planet

i ll never want to draw anyone else but you you are my muse without you there is no art in me with her pale luminous skin and cloud of copper colored hair nineteen year old lizzie siddal looks nothing like the rosy cheeked ideal of victorian beauty working in a london milliner s shop lizzie stitches elegant bonnets destined for wealthier young women until a chance meeting brings her to the attention of painter and poet dante gabriel rossetti enchanted both by her ethereal appearance and her artistic ambitions quite out of place for a shop girl rossetti draws her into his glittering world of salons and bohemian soirees lizzie begins to sit for some of the most celebrated members of the pre raphaelite brotherhood posing for john everett millais as shakespeare s ophelia for william holman hunt and especially for rossetti who immortalizes her in countless paintings as his namesake s beloved beatrice the passionate visions rossetti creates on canvas are echoed in their intense affair but while lizzie strives to establish herself as a painter and poet in her own right betrayal illness and addiction leave her struggling to save her marriage and her sense of self rita cameron weaves historical figures and vivid details into a complex unconventional love story giving voice to one of the

most influential yet overlooked figures of a fascinating era a woman who is both artist and inspiration long gazed upon but until now never fully seen an excerpt from ophelia s muse rossetti stood behind the canvas pretending to study deverell s painting while he admired its model despite deverell s enthusiastic descriptions rossetti was completely unprepared for the glorious woman before him she seemed to be from another age as if she had sprung to life from an antique painting of an italian saint seated before the window her hair cast a slight golden glow in the afternoon sun like a halo she could not have been more perfect if he had sculpted her from marble with his own hands deverell claimed that he had found the perfect viola but this girl was far too beautiful to pose as some love sick page she was clearly meant to sit for the great heroines of history and myth and rossetti vowed to paint her as a queen miss siddal has anyone ever told you that you were surely crafted by the gods in order to be painted if you don t believe that yours is a beauty for the ages you underestimate yourself the force of his words struck lizzie and she wondered if he was serious and if it could be true was this the thing that she had always been waiting for was she really meant to inspire great artists her head buzzed with the possibility but the very allure of the idea felt dangerous
