State Assessment Policy and Practice for English Language Learners

2014-05-12

State Assessment Policy and Practice for English Language Learners presents three significant studies each examining a different aspect of states' strategies for including English Language Learners in state assessments: an analysis of state assessment policies regarding accommodations for English Language Learners, a survey and description of test translation practices, and an examination of state practices for reporting participation and performance of English Language Learners in state assessments. With the rise in population of English Language Learners and the subsequent stepped up legislative focus on this student population over the past decade, states have been challenged to include English Language Learners in state assessment programs. Until now, the little data available on states' policies and practices for meeting this challenge has been embedded in various reports and professional journals and scattered across the internet. This volume offers for the first time a focused examination of states' assessment policies and practices regarding English Language Learners. The three studies were supported by OELA, the U.S. Department of Education's Office of English Language Acquisition, Language Enhancement, and Academic Achievement for Limited English Proficient Students. State Assessment Policy and Practice for English Language Learners is of interest to researchers and professionals involved with the assessment of English Language Learners, state and district level policy makers and academics, teacher educators and graduate students in a number of fields including educational and psychological assessment, testing and measurement, bilingual education, English as a Second Language, and Second Language Acquisition.

Assessing English Language Learners

2016-01-29

Assessing English Language Proficiency in U.S. K–12 Schools

2020-05-31

Assessing English Language Proficiency in U.S. K–12 Schools offers comprehensive background information about the generation of standards based English Language Proficiency (ELP) assessments used in U.S. K–12 school settings. The chapters in this book address a variety of key issues involved in the development and use of those assessments: defining an ELP construct driven by new academic content and ELP standards; using technology for K–12 ELP assessments; addressing the needs of various English Learner (EL) students taking the assessments; connecting assessment with teaching and learning; and substantiating validity claims. Each chapter also contains suggestions for future research that will contribute to the next generation of K–12 ELP assessments and improve policies and practices in the use of the assessments. This book is intended to be a useful resource for researchers, graduate students, test developers, practitioners, and policymakers who are interested in learning more about large-scale standards based ELP assessments for K–12 EL students.

Assessing English Language Learners

2003

The revised and expanded edition of this bestseller is a comprehensive, easy-to-read resource that explores the theory and practice of ESL assessment. Written for anyone working with English Language Learners (ELLs) in elementary and secondary mainstream and ESL settings, this new edition of *Assessment and ESL* presents ideas and tools for alternative assessment. The authors offer methods of documenting the learning and progress of second language learners, learning and progress that may not always be apparent.

at first glance like the previous edition the new edition is filled with real stories about students who take baby steps progress in leaps and bounds toward proficiency and eventually learn to fly on their own

Assessment and ESL

2007
