**Ford Cars** 2017-03-02 ford cars can be found all over the world and vintage models appear at most classic car shows this book helps to identify the models sold by ford of britain and provides detailed information on each model with technical specifications original colour photographs and lists the colour schemes that were available continuing this popular series covering classic british cars david rowe now turns his keen eye to the british ford models he is well placed to do so having worked at two ford dealerships over a 30 year period and has driven many of the models covered by this book

**Mercedes-Benz** 2017-03-17 it s hard to believe but the w129 series mercedes benz sl was launched over 20 years ago however its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts as well as those returning to the car having owned one when they were still in the dealerships a combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic german machines and has ensured that many of these cars can still be seen in regular use today covering the sl s ever changing specification and its presence in many of the world s major markets is a huge task but it s all presented here in definitive detail along with stunning contemporary photography in a

volume that will readily grace any reference library shelf or connoisseur s coffee table two earlier books also published by veloce and covering the w113 cars and the 107 series sl and slc act as perfect companions to this title which takes the sl story up to 1989
