Lost Youth Vol. 1 (Yuri Manga) 2018-07-05 have you ever experienced a dark but pure love story the love was a mistake the feeling did not suppose to happen all were wrong including yourself aine misabashi a cheerful second high school grader has a massive crush towards her popular childhood friend riku shirota she also has a beautiful best friend whom she calls as princess that always listen to her insecurity everything seems like an ordinary innocent youth drama until aine saw riku kissing another girl even though he always said that aine is the only one he has moreover the girl that he kissed is is there any purity in this tangled friendship and romantic relationship what will aine do when another important person to her also has a feeling towards her lost youth is a magnificent debut work by akeru asahi about the bold and delicate girl s romance in high school that would leave you shocking

Young People, Rights and Place 2018-05-16 concern is growing about children s rights and the curtailment of those rights through the excesses of neoliberal governance this book discusses children s spatial and citizenship rights and the ways young people and their families push against diminished rights armed initially with theoretical concerns about the construction of children through the political status quo and the ways youth rights are spatially segregated the book begins with a disarmingly simple supposition young people have the right to make and remake their spaces and as a consequence themselves this book de centers monadic ideas of children in favor of a post humanist perspective which embraces the radical relationality of children as more than children more than human its empirical focus begins with the struggles of slovenian izbrisani erased youth from 1992 to the present day and reaches out to child rights and youth activists elsewhere in the world with examples from south america eastern europe and the usa the author argues that universal child rights have not worked and pushes for a more radical sustainable ethics which dares to admit that children s humanity is something more than we as adults can imagine chapters in this groundbreaking contribution will be of interest to students researchers and practitioners in the social sciences humanities and public policy

Young People and 'risk' 2007-09-26 alongside the current media preoccupation with high risk offenders there has been a shift towards a greater focus on risk and public protection in uk criminal justice policy this report draws together a distinguished panel to consider both the theory and application of the risk concept in work with young people and young adults that offend

Young People in Risk Society: The Restructuring of Youth Identities and Transitions in Late Modernity 2017-11-22 this title was first published in

2002 loosely divided into two sections this book's first part includes chapters which explore young people's identities and youth cultures in relation to issues such as drug use education and dance music in various ways the authors examine whether there is a need to rethink the existing theories and concepts which have informed the study of youth cultures and identities the second part to the volume is concerned with how young people experience transitions in relation to such topics as employment sexuality and household formation the chapters also raise theoretical questions on the usefulness of the transition concept in late modernity illustrating how the reshaping of key institutions in late modernity has had a profound effect on the sorts of transitions young people make today in addressing such issues the authors examine the potential contribution that concepts around risk and risk society and new third way social policy initiatives can have to contemporary youth studies

The Riverside Magazine for Young People 1870 the second edition of this best selling text provides a fully revised and up to date critical analysis of a wide range of issues surrounding young people disorder and crime to develop a comprehensive criminology of youth the book deliberately moves beyond traditional criminological concerns and draws insights from other academic disciplines such as cultural studies gender studies media studies social policy social work political science and human geography now thoroughly updated this second edition has been rewritten to include new material on anti social behaviour street crime youth gangs victimisation social exclusion drugs surveillance crime prevention policing and restoration as well as a sustained critical analysis of new labour's youth social and criminal justice reforms as they have emerged over the past five years to make sense of these developments theories of risk management governance globalisation and cultural criminology are introduced and assessed building on the strengths of the first edition this highly influential work remains the most integrated and comprehensive analysis of theory research policy and politics in this area it is an essential text for students of criminology criminal justice sociology youth studies social policy and social work

Youth and Crime 2004-06-11 practitioners must be able to listen talk communicate and engage with children and young people if they are going to make a real difference to their lives the key principles of collaborative relational child centred working underpin all the ideas in this bestselling practice focused textbook using an innovative knowing being doing model it features reflective exercises practice examples vignettes cutting edge research findings and theoretical perspectives this new edition includes updated references to policy legislation

professional requirements practice tools and research including around unaccompanied young refugees and asylum seekers and child sexual exploitation new learning from ethnographic and observational research of social workers direct practice with children added focus on the context for practice including the role of supervision and organisational containment in developing practitioners emotional capabilities with detailed coverage of key skills this book will equip students and practitioners with the critical thinking and tools needed for effective practice in order to promote the welfare protection and rights of children and young people

Communicating and Engaging with Children and Young People 2e

2018-04-18 following the 2008 economic crisis the situation for young people deteriorated dramatically in many european countries employment and training opportunities have reduced and levels of poverty and social exclusion have increased this book evaluates both institutional frameworks and programmes as well as the quantitative and qualitative basis of judgements in european youth policies that dominate current strategies this book evaluates both institutional frameworks and programmes as well as the quantitative and qualitative basis of judgements in european youth policies

Empowering Young People in Disempowering Times 2017-12-29 siân lincoln considers the use role and significance of private spaces in the lives of young people drawing on extensive ethnographic research she explores the place of the private in youth cultural discourses both historically and contemporarily that until now have remained largely absent in youth cultural research

Questions Young People Ask--Answers That Work, Volume 2 (Vol. 2)

2008-12-31 written by leading scholars from around the world the articles in this volume range from sin sufism and terrorism to theology in the 19th and 20th centuries vatican i and ii and the virgin birth

Youth Culture and Private Space 2012-06-26 this book investigates the ways in which emerging digital technologies are shaping and changing the worlds of sexuality and gender diverse youth in southeast asia primarily focused on the philippines indonesia singapore thailand and malaysia the book examines the potential of digital technologies to enhance wellbeing in and across these contexts drawing on multi site ethnographic field research interviews survey data and online content analysis the book examines the design and use of websites and content by and for lgbt youth the book innovatively interrogates the design of transnational digital wellbeing initiatives alongside the digital practices of those the technologies are designed for it illustrates not only the im possibilities of technological design but also the capacity for design to

participate in what hanckel calls trans national digital wellbeing processes he asks us to consider the ways that global technologies are contextual a paradox that is explored throughout the book the analysis extends important discussions in youth research contributing to a greater understanding of how lgbt youth are engaging new technologies to participate in identity making health and wellbeing as well as political action it also considers implications for digital wellbeing and digital health promotion efforts globally with young people who experience marginalisation in doing so the book makes a critical contribution to understanding the ways that transnational digital interventions get deployed and at times incorporated into youth practices

The Encycloedia of Christianity, Vol. 5 2008-02-14 youth

participation in the digitalised world is nowadays a topic of high interest in the public sphere the authors of this publication aim to bring new perspectives and varied visions to the key questions of understanding how young people interact with all the opportunities the digital space has to offer and how they can use this space for causes relevant not only for themselves but also for the democratisation of the societies in which they live by doing so the authors strive to build knowledge on this topic illustrating how the digitalisation of contemporary european societies simultaneously offers significant opportunities and poses considerable challenges the perspectives on youth series aims to function as a forum for information discussion reflection and dialogue on european developments in the field of youth policy youth research and youth work this issue is linked with the symposium on youth participation in a digitalised world organised by the partnership between the european commission and the council of europe in the field of youth
