A Faithful Narrative of the Surprising Work of God in the Conversion of Many Hundred Souls in Northampton, and the Neighbouring Towns and Villages of the County of Hampshire, in the Province of the Massachusetts-Bay in New-England 2023-07-18 excerpt from edwards on revivals containing a faithful narrative of the surprising work of god in the conversion of many hundred souls in northampton massachusetts a d 1735 also thoughts on the revival of religion in new england 1742 and the way in which it ought to be acknowledged and promoted there has been a great and just complaint for many years among the ministers and churches in old england and in new except about the time of the late earthquake there that the work of conversion goes on very slowly that the spirit of god in his saving influences is much withdrawn from the ministrations of his word and there are few that receive the report of the gospel with any eminent success upon their hearts but as the gospel is the same divine instrument of grace still as ever it was in the days of the apostles so our ascended savior now and then takes a special occasion to manifest the divinity of this gospel by a plentiful effusion of his spirit where it is preached then sinners are turned into saints in numbers and there is a new face of things spread over a town or country the wilderness and the solitary places are glad the desert rejoices and blossoms as the rose and surely concerning this instance we may add that they have seen the glory of the lord there and the excellency of our god they have seen the outgoings of god our king in his sanctuary certainly it becomes us who profess the religion of christ to take notice of such astonishing exercises of his power and mercy and give him the glory which is due when he begins to accomplish any of his promises concerning the latter days and it gives us further encouragement to pray and wait and hope for the like display of his power in the midst of us the hand of god is not shortened that it can not save but we have reason to fear that our iniquities our coldness in religion and the general carnality of our spirits have raised a wall of separation between god and us and we may add the pride and perverse humor of infidelity degeneracy and apostasy from the christian faith which have of late years broken out amongst us seem to have provoked the spirit of christ to absent himself much from our nation return O lord and visit thy churches and revive thine own work in the midst of us about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
