Texas History

2016

the eighth edition of government and politics of texas provides a student friendly and up to date guide to texas government and politics using a comparative approach this text explains how and why the lone star state is similar to and different from other states in the nation the unique approach emphasizes the concept of political culture and the fluid nature of politics and government

McGraw-Hill Language Arts

2001-06

texas wonders is designed to foster a love of reading in all children through exploration of texts and daily development of their skills as readers writers speakers and active listeners students experience the power of literacy our focus on teaching the whole child and every child prepares students to be lifelong learners and critical thinkers

Texas and Texans, Student Edition

2002-03-21

mcgraw hill conducted extensive market research with students from across the nation to gain insight into their studying and buying behavior students told us they wanted more portable texts with innovative visual appeal and content that is designed according to the way they learn we also surveyed instructors and they told us they wanted a way to engage their students without compromising on high quality content am gov provides unmatched currency and is the first student centered american government text it provides instructors with scholarly succinct and conventionally organized core content and a magazine format that engages students and motivates active participation in our democracy the new 2011 edition includes new features including obama at midterm feature and citizenship quizzes
