reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant a new york times notable book of the year a hugely ambitious delightfully readable genuinely informative portrait the new york times of the two centuries long entwined histories of iran and america two powers who were once allies and now adversaries by an admired historian and former journalist in this rich fascinating history john ghazvinian traces the complex story of the relations between these two nations back to the persian empire of the eighteenth century the subject of great admiration by thomas jefferson and john quincy adams and an america seen by iranians as an ideal to emulate for their own government drawing on years of archival research both in the united states and iran including access to iranian government archives rarely available to western scholars the iranian born oxford educated historian leads us through the four seasons of u s iran

relations the spring of mutual fascination the summer of early interactions the autumn of close strategic ties and the long dark winter of mutual hatred ghazvinian makes clear where how and when it all went wrong america and iran shows why two countries that once had such heartfelt admiration for each other became such committed enemies and why it didn't have to turn out this way a comprehensive history of the popes of the roman catholic church beginning with saint peter during the first century ad to pope benedict xvi and focusing on their religious and political influence throughout the ages this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and
