many years ago bob dylan wrote the answer my friend is blowin in the wind but we ve learned that really important answers don t come that easily asking questions is a sign of a healthy growing faith a faith that drives us deeper into god s word that s the reason god s first question in the old testament is where are you while the first question the wise men ask in the new testament is where is he it s been observed that god answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow this book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective at times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other that s one reason we re not only to confront knotty questions but willingly accept god s unraveling answers
