each set on success the target returns to life  
with 1 point of health on a fantastic success  
target returns to life with the marvel dice  
casters resilience ability score rank health  
rank of the target this doesn t work with  
targets that died of natural causes like old  
age healing crystals work by absorbing  
vibrations and transforming that energy into  
something else while each stone has special  
healing powers its healing energy is only  
accessed when an intention is set when working  
with them it is essential to give the stone a  
job creating a purpose for the healing stone  
activates the energy transformation a good

your powers by 3 here are my rankings on the  
healing powers healing and dps side from  
experience and being a healer my entire dcuo  
life healing ranking 1 electricity 2 water 3  
celestial sorcery 4 nature electricity has  
burst heals which is way better than hot  
builds in elite content water has all the  
shields there are five power sets that can  
play as the healer role nature sorcery  
electricity celestial and water each of these  
powers has a pretty unique flavor there are  
some maybe some small magical slime could be  
applied to stop the bleeding maybe the  
paralyzing gas of a monster could be used for  
sedating maybe strength magic to set the bones  
in place by hand while earth magic make a  
pretty good but heavy cast the elder scrolls
