phaethon prime rhadamanth humodified encounters an old man who accuses him of being an imposter and an alien from neptune who reveals that he has had essential parts of his memory removed

The Golden Age 1978-01-01

the golden age is a fantastical travelogue in which a modern day gulliver writes a book about a civilization he once encountered on a tiny island in the atlantic the islanders seem at first to do nothing but sit and observe the world and indeed draw no distinction between reality and representation so that a mirror image seems as substantial to them as a person and vice versa but the center of their culture is revealed to be the book a handwritten collective novel filled with feuding royal families murderous sorcerers and narrow escapes anyone is free to write in the book adding their own stories crossing out others or even ap pending footnotes in the form of little paper pouches full of extra text but of course there are pouches within pouches so that the story is impossible to read in order and soon begins to overwhelm the narrator s orderly treatise

The Golden Age 2000

this volume investigates the diverse applications and conceptions of the term the golden age the phrase resonates with the theme of nostalgia which is popularly understood as a wistful longing for the past but which also denotes homesickness and the unrecoverability of the past while the term golden age typically conjures up idealised visions of the past and gestures forward to utopian visions of future golden ages the idea of nostalgia is suggestive of a discontented present the golden age and nostalgia are therefore related ideas but are also partly in conflict with one another as many nostalgic sentiments are not idealised and may indeed be dark ironic or self aware there are of course many other ways to characterise the relationship between the golden age and nostalgia and the tension between the two can produce myths and romantic idylls or in religious terms images of pre lapsarian innocence or dogmas relating to values associated with childhood the golden age is also often used to refer to specific respected periods of cultural production in all kinds of literature and visual media indeed nearly every period genre nation and cultural form has some kind of mythic often illusory golden age against which it is defined and in which nostalgia often plays a part this collection interrogates the notion of the golden age and its connection to feelings of nostalgia from a range of interdisciplinary perspectives with a strong focus on the relationship between word and image it will interest scholars working on the subject of the golden age nostalgia particularly in english literature film studies comics studies history and the fine arts

The Golden Age 2002-04-20

the golden age is a collection of reminiscences of childhood written by kenneth grahame and first published in book form in 1895 by the bodley head in london and by stone kimball in chicago the prologue and six of the stories had previously appeared in the national observer the journal then edited by william ernest henley widely praised upon its first appearance algernon charles swinburne writing in the daily chronicle called it one of the few books which are well nigh too praiseworthy for praise the book has come to be regarded as a classic in its genre

the golden age is the final eponymous novel that brings to an end what gabriel garc a m rquez has called gore vidal s magnificent series of historical novels or novelised histories narratives of empire like a latter day anthony trollope vidal masterfully balances the personal with the political the invented with the historical fact his heroine from hollywood caroline sanford reappears in washington as president roosevelt schemes to get the usa into the war by provoking the japanese in the novel s ten year span america is master of the globe with japan and europe colony and dependency under her empire against this backdrop there is a glittering explosion in the arts we see the likes of lowell bernstein and tennessee williams and witness the opening night of a streetcar named desire but by 1950 and the coming of the korean war the golden age is over for the reader who wants to be informed as well as vastly entertained about the last two hundred years of american history there could be no better place to start than with vidal s narratives

A Story of the Golden Age 1888

if you ve loved and cherished the wind in the willows you II be delighted to read the golden age in this book of reminiscences by kenneth grahame the much loved creator of winnie the pooh readers are granted an insight into the writer s childhood the opening lines of the prologue provide a poignant reminder of grahame s childhood when he was just five his mother died in childbirth and his father who had a long standing problem with alcoholism consigned his four children including the newborn baby to the care of their grandmother in berkshire the rambling old house was a treasure trove of passages and attics filled with old things and provided the children with plenty of excitement their uncle who was a member of the clergy in a neighboring village often came to take them boating and walking in the nearby woods

The myth of the Golden Age in the Renaissance 1969

a publishers weekly best book of the year during wwii a jewish boy copes with a new homeland a polio diagnosis and falling in love for the first time frank gold s family hungarian jews have fled the perils of world war ii for the safety of australia but not long after their arrival thirteen year old frank is diagnosed with polio he is sent to a sprawling children s hospital called the golden age where he meets elsa the most beautiful girl he has ever seen a girl who radiates pure light soon frank and elsa fall in love fueling one another s rehabilitation facing the perils of illness and adolescence hand in hand and scandalizing the prudish staff of the golden age their parents meanwhile are coping with their own challenges elsa s mother must reconcile her hopes and dreams with the reality of her daughter s sickness frank s parents are isolated newcomers in a country they do not love and that does not seem to love them back frank s mother a renowned pianist in hungary refuses to allow the western deserts of australia to become her home but her husband slowly begins to free himself from the past and integrate into a new society a winner of multiple literary awards in australia the golden age is a deeply moving novel about hardship and resilience that graciously captures young love in a quiet and beautifully sculpted story that is easily devoured in one sitting library journal poetic intensity suffuses the novel resisting easy sentimentality it presents polio rehabilitation as a metaphor for postwar recovery the new yorker beautiful the dallas morning news the golden age is pretty much perfect publishers weekly starred review

when brazil s golden age began the portuguese were securely established on the coast and immediate hinterland european rivals spanish french dutch had been repelled and expansion into the vast interior had begun by the end of the golden age bandleirantes missionaries miners planters and ranchers had penetrated deep into the continent in 1750 by the treaty of madrid spain recognized brazil s new frontiers the colony had come to occupy an area slightly greater than that of the ten spanish colonies in south america put together despite conflicts the fusion of portuguese amerindian and african into a brazilian entity had begun and the explosive expansion of brazil had laid the foundation for the independence that followed in 1822 professor boxer deals not only with the turbulent events of the golden age but analyses the economic and administrative changes of the period he examines the relationships of officials with colonists of settlers with indians of colony with mother country professor boxer s classic study of a critical period in the growth of brazil the world s fifth largest country has long been out of print it is here reissued with numerous illustrations

part i of this book is devoted to the explorers and conquistadors the wonders and horrors of the first encounters the great civilization of the aztecs laid in ruins and the strangeness of the simpler indians to the north in part ii are accounts by those who had to deal with the indians as traders or missionaries

statesmen or soldiers and who struggled with problems of culture difference and the meaning of race part iii takes up the task of rescuing records the contribution of this period was a series of volumes in which an infinite wealth of strange detail found publication in part iv we show how the organization of voluntary effort shaped the future development of american anthropology part v includes the writers who laid the groundwork of anthropological theory

excerpt from the herald of the golden age vol 8 the official journal of the order of the golden age august 1903 total abstinence from foods laden with uric acid with sufficient exercise each day to get up a good sweat is a sure way of keeping this disease at bay who ever heard of a hard working man who was moderate in the use of simple foods having gout labouring men who subsist largely upon esh food which always contains uric acid are able by vigorous outdoor exercise to eliminate a large share of this excess of uric acid taken in the food and thus ward off the disease for a long time but the extra burden thrown upon the kidneys in its elimination finally results in disease or the complete wearing out of these organs thus shortening life about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Golden Age 2018-11-27

the nineteenth century romantic understanding of history is often confused with the longing for the past golden age in this book the romantic idea of golden age is seen from a new angle by discussing it in the context of friedrich schlegel s works interestingly schlegel argued that the concept of a past golden age in the beginning of history was itself a product of antiquity imagined without any historical ground the golden age was not bygone for schlegel but to be produced in the future his utopian vision of the kingdom of god was related to the millenarian expectations of perpetual peace aroused by the revolutionary wars schlegel understood current era through the kairos concept which emphasized the present possibilities for public agency thus history could not be reduced to any kind of pre established pattern of redemption for the future was determined only by the opportunities manifested in the

Amsterdam 1983

story of the golden age has been to pave the way if i dare say it to an enjoyable reading of homer either in translations or in the original i have taken the various legends relating to the causes of the trojan war and by assuming certain privileges never yet denied to story tellers have woven all into one continuous narrative ending where homer s story begins the hero of the odyssey a character not always to be admired or commended is my hero and in telling the story of his boyhood and youth i have taken the opportunity to repeat for your enjoyment some of the most beautiful of the old greek myths if i have now and then given them a coloring slightly different from the original you will remember that such is the right of the story teller the poet and the artist the essential features of the stories remain unchanged i have all along drawn freely from the old tragedians and now and then from homer himself nor have i thought it necessary in every instance to mention authorities or to apologize for an occasional close imitation of some of the best translations the pictures of old greek life have in the main been derived from the iliad and the odyssey and will i hope help you to a better understanding of those poems when you come to make acquaintance directly with them

originally published in single magazine form in the golden age 1 4 t p verso

The Golden Age to Come 2009-04

the history of women in early modern spain is a largely untapped field this book opens the field substantially by examining the position of women in religious political literary and economic life drawing on both historical and literary approaches the contributors challenge the portrait of spanish women as passive and marginalized showing that despite forces working to exclude them women in golden age spain influenced religious life and politics and made vital contributions to economic and cultural life the contributors seek to incorporate the study of spanish women into the current work on literary criticism and on the intersection of private and public spheres the authors integrate women into subfields of spanish history and literature such as inquisition studies the spanish monarchy spain s economic and political decline and golden age drama the essays demonstrate the necessity and value of incorporating women into the study of golden age spain
