Stephanie Springgay's concept of feltness which emerges from affect theory queer and feminist theory and feminist conceptions of more than human entanglements is a set of intimate practices of creating art based on touch affect relationality love and responsibility in this book she explores how feltness is a radical pedagogy that can be practiced with diverse publics including children who are often left out of conversations about who can learn in radical ways Springgay examines the results of a decade long project in which researchers artists students and teachers participated in events in North American elementary secondary and postsecondary institutions in projects that ranged from children learning to be critics and artists to university students experimenting with building a public through art participants blended participatory art creation with academic research to address social justice issues Springgay shows how

feltness can redefine who is imagined to be capable of complex feeling  
experiential learning embodied practice social engagement and intimate  
care in this way feltness fosters learning that disrupts and defamiliarizes  
schools and institutions knowledge systems values and the legibility of  
art and research
