it sometimes makes me wonder if part of the answer here is that

is it even worth it to major in finance if not from a target

Dec 18 2022

it s not that you re doomed for high finance careers coming from a non target you just have to work harder and knock on more doors until one of them opens up for you it might also take a bit longer to get there if that door doesn t open up during school but if you stick with it and truly want it a door will eventually open
