

Murder in the Vatican 2008

murder in the vatican is two books in one book the revolutionary life of john paul the only existing biography of the 33 day pope and the cia opus dei and the 1978 murders why two books in one book unless one understands the mystery of his life something the vatican prefers to keep secret the secret life of john paul one will never understand the mystery of his unwitnessed death this book is in its fourth edition in that time i have changed little of what i have said about this good man s life other than to expand my account in this new edition to include stories of his childhood and his young life as a seminarian and as a priest yet the mystery of his death and the deaths of those around him has involved an investigative process that has taken me to italy and elsewhere in the world many times and spanned many years i knew much more five years ago than i knew five years before that and i knew much more two years ago than i knew five years before that and i know much more today than i did then here for the first time is the proof how john paul and those around him fell victim to twentieth century capitalism as it was jointly embraced by the vatican and the united states beware of the used book market 2003 2005 and 2006 editions do not include the complete biography or the solution to the murders only this 404 page 2008 edition includes both complete books

over 50 billion dollars in securities gold reserves that exceed those of industrialized nations real estate holdings that equal the total area of many countries opulent palaces containing the world's greatest art treasures these are some of the riches of the roman catholic church yet in 1929 the vatican was destitute pope pius xi living in a damaged leaky pigeon infested lateran palace could hear rats scurrying through the walls and he worried about how he would pay for even basic repairs to unclog the overburdened sewer lines and update the antiquated heating system how did the church manage in less than seventy five years such an incredible reversal of fortune the story here told by church historian paul l williams is intriguing shocking and outrageous the turnaround began on february 11 1929 with the signing of the lateran treaty between the vatican and fascist leader benito mussolini through this deal mussolini gained the support of the staunchly catholic italian

populace who at the time followed the lead of the church in return the church received among other benefits a payment of 90 million sovereign status for the vatican tax free property rights and guaranteed salaries for all priests throughout the country from the italian government with the stroke of a pen the pope had solved the vatican s budgetary woes practically overnight yet he also put a great religious institution in league with some of the darkest forces of the 20th century based on his years of experience as a consultant for the fbi williams produces explosive and never before published evidence of the church s morally questionable financial dealings with sinister organizations over seven decades through today he examines the means by which the vatican accrued enormous wealth during the great depression by investing in mussolini s government the connection between nazi gold and the vatican bank the vast range of church holdings in the postwar boom period paul vi s appointment of mafia chieftain michele sindona as the vatican banker a billion dollar counterfeit stock fraud uncovered by interpol and the fbi the ambrosiano affair called the greatest financial scandal of the 20th century by the new york times the mysterious death of john paul i profits from an international drug ring operating out of gdansk poland and revelations about current dealings for both catholics and non catholics this troubling expose of corruption in one of the most revered religious institutions in the world will serve as an urgent call for reform

what the vatican doesn t want you to know the lies the conspiracies the cover ups the truth deep behind the walls of the

world's holiest site is a dense network of lies, corruption, and conspiracies fueling the vatican's vast and unchecked influence on world events. From the holy orders that defied the commandment "thou shalt not kill" to the scandals splashed across international headlines, the vatican is no longer shrouded in mystery, legend, and secrecy. It's all here: the shocking and unsolved murder of the corrupt vatican financier known as God's Banker, real-life exorcism, and shocking rumors of satanism. The vatican's startling views on extraterrestrials and end-of-world prophecies, the vatican's hidden ties to Nazi Germany and the Mafia, the bizarre rituals of the ultraconservative Opus Dei, the vatican's ruthless 500-year war with the Freemasons, Pope Pius XII's anti-Semitic indifference to the plight of Europe's Jews and the Holocaust, and much more. This utterly fascinating, unflinching account is the most definitive exposé ever written about the most secretive institution in the world. H. Paul Jeffers is the author of *The Bilderberg Conspiracy*, *Freemasons Inside the World's Oldest Secret Society*, and *Freemasons in America*. Inside the Secret Society, among fifty other books, he has appeared on CBS, Fox News, and the History Channel.

Dark History of the Popes 2009

Sacred Blood: The Vatican Assassin is a titillating tale of passion and intrigue that spans the centuries as the link between the confessional letters of an assassin to Popes Julius II and Leo X and a modern-day murder mystery gradually comes to light. Light unweaving the many layers of Rome's hidden secrets, the intertwining story lines tell of historical researcher Anthony Hibbert, who is invited to Rome to study antique manuscripts at the Vatican Library's secret archives, and Federigo Dottore, whose letters are stashed haphazardly within the records while working to piece together Federigo's captivating story. Anthony finds himself swept up in the murder investigation, the leader of a social media global campaign for more Vatican transparency, and inescapably attracted to the beautiful Akemi Morishima, the CEO of the cybersecurity company working for the Vatican. When a series of erotic drawings by the Renaissance artist Raphael are discovered, the news is sure to rock the art world, but their importance increases all the more when the faded writing on the back is determined to contain part of Federigo's narrative: a sensuous journey through Rome's most safely guarded secrets. *Sacred Blood* brings the Vatican historical thriller genre to new heights.
