a guide for translators about the translation theory the translation process interpreting subtitling internationalization and localization and computer assisted translation a special section is dedicated to the translator s education and associations the guide include as annexes several independent adaptations of the corresponding european commission works freely available via the eu bookshop as pdf and via settings.com as epub mobi kindle and pdf for a smart sensible translation you should forget not the knowledge acquired at school or university but the version with standards some people want a translation with the original of the source version while another people want a successful version we should not be able to guess the original language we have to realize that both people have right and wrong and that their only fault is to

just the tip a servers guide with tips for bartenders waiters and waitresses on how to make more money at your job by increasing and maximizing your gratuities

~~just the tip a servers guide with tips for bartenders  
waiters and waitresses on how to make more money at  
present requirement as an absolute truth teachers agree  
your job by increasing and maximizing your gratuities  
at least on this principle if a sentence is ambiguous  
the translation must also be there is another critical  
less easy to argue based on an italian phrase with  
particularly strong wording traduttore traditore this  
critique argues that any translation will betray the  
author s language spirit style because of the choices  
on all sides what to sacrifice clarity or brevity if  
the formula in the text is brief and effective but  
impossible to translate into so few words with the  
exact meaning one could understand this criticism that  
it encourages us to read in the text it seems obvious  
that it is impossible to follow this advice into  
practice~~
