the information revolution would have been radically different or impossible without the use of the materials known generically as semiconductors the properties of these materials particularly the potential for doping with impurities to create transistors and diodes and controlling the local potential by gates are essential for microelectronics semiconductor transport is an introductory text on electron transport in semiconductor materials and is written for advanced undergraduates and graduate students the book provides a thorough treatment of modern approaches to the transport properties of semiconductors and their calculation it also introduces those aspects of solid state physics which are vitally important for understanding transport in them bank of the cottonwoods bank of the cottonwoods deals with the first eighteen years of my life and the people around me the book is part one of a two book autobiography my version of my life and the people around me is one of many the paragraphs are long the theme varies but i am not a professional author just a country boy the greatest lesson that i learned in those first eighteen years have stuck with me first of all you can find good in most people if you dig deep enough people also can change you do not have to be a product of your environment perhaps the greatest of all the lessons that is portrayed in bank of the cottonwoods is that people in general are programmed from childhood some are programmed to work steal be prejudiced hate or even think they are better than others also that programming can be passed on down several generations perhaps somebody s mom or daddy was wrong and some were right you can call my book fact or fiction but to me they are as real as the 9 11 attack on the world trade center because i lived it this book was derived from a talk that the author gave at the international conference on advanced nanodevices and nanotechnology in hawaii the book is about science and engineering but is not on science and engineering it is not a textbook which develops the understanding of a small part of the field but a book about random encounters and about the strengths and the foibles of living as a physicist and engineer for half a century it presents the author s personal views on science engineering and life and is illustrated by a number of lively stories about various events some of which shaped his life written in a style that is at once lucid and engaging this is an outstanding work that weaves the many threads of science into a rich tapestry the oilfield years is part two of an autobiography though well seasoned a young man is forced into the oilfield at age fifteen in the late 1960 s the oilfield was a wild and hard world it contained mostly good decent hard working people accidents were a common staple of the oilfield in the early years and there was simply put no stability to make a living in the oilfield one had to travel and change jobs a lot you worked with a diversity of people cajuns arabs hondurans indonesians and many other nationalities make up the oilfields something comical occurred often and roughnecks in general created mishaps the oilfield years deals with work fights accidents blunders and my view of that world for over twenty five years i hope you enjoy the book as much as i enjoyed the people winner of the national book award for poetry this is one of the great books of poetry of

---

this young century dan chiasson the new yorker to read david ferry s bewilderment is to be reminded that poetry of the highest order can be made by the subtlest of means the passionate nature and originality of ferry s prosodic daring works astonishing transformations that take your breath away in poem after poem his diction modulates beautifully between plainspoken high eloquence and colloquial vigor making his distinctive speech one of the most interesting and ravishing achievements of the past half century most poets write inside a very narrow range of experience and feeling whether in free or metered verse but ferry s use of meter tends to enhance the colloquial nature of his writing while giving him access to an immense variety of feeling sometimes that feeling is so powerful it s like witnessing a volcanologist taking measurements in the midst of an eruption ferry s translations meanwhile are amazingly acclimated english poems once his voice takes hold of them they are as bred in the bone as all his other work and the translations in this book are vitally related to the original poems around them these poems highlight an age old quest for truth that leads the speaker to consider his present and past and to translate works by horace virgil catullus and others vivid and sometimes heartbreaking the washington post astonishing a haunted book where ghosts prove that the haunted are still alive and allow for the continuing company of literature slate a necessary book shocking and heartbreaking the rumpus it all started weeks ago when the vicar s cheap sherry liberally dispensed after the service went to their heads their little group discovered they were angry and frustrated about so many aspects of their everyday lives as pensioners what they needed was an outlet for all these frustrations before they boiled over as they gazed at the gosport ferry plying back and forth across the harbour the idea came to them for a protest that would really make people sit up and take notice hardy was happy to take the lead it was just what he needed to show joyce his domineering wife that he wasn t ready to be written off just yet but even simple plans have a way of tying themselves up in knots in this book robert pinsky writes about contemporary poetry as it reflects its modernist and romantic past he isolates certain persistent ideas about poetry s situation relative to life and focuses on the conflict the poet faces between the nature of words and poetic forms on one side and the nature of experience on the other the author ranges for his often surprising examples from keats to the great modernists such as stevens and williams to the contents of recent magazines he considers work by ammon s ashbery bogan ginsberg lowell merwin o hara and younger writers offering judgments and enthusiasms from a viewpoint that is consistent but unstereotyped like his poetry robert pinsky s criticism joins the traditional and the innovative in ways that are thoughtful and unmistakably his own his book is a bold essay on the contemporary situation in poetry on the dazzling achievements of modernism and on the nature or situation of poetry itself modernist epic is more interesting and more diverse than we have supposed as a radical form of national fiction it appeared in many parts of the world in the early twentieth century reading a selection of works from the united states england ireland czechoslovakia and brazil the evolutions of modernist epic develops a comparative theory of this genre and its global development that development was it argues bound up with new ideas about biological evolution during the first decades of the twentieth century a period known in the history of evolutionary science as the eclipse of darwinism evolution s

---

significance was questioned rethought and ultimately confined to the neo darwinist discourse with which we are familiar today epic fiction participated in and was shaped by this shift drawing on queer forms of sexuality to cultivate anti heroic and non progressive modes of telling national stories the genre contested reductive and reactionary forms of social darwinism the book describes how in doing so the genre asks us to revisit our assumptions about ethnolinguistics and organic nationalism it also models how the history of evolutionary thought can provide a new basis for comparing diverse modernisms and their peculiar nativisms i sing of arms and the man so begins the aeneid greatest of western epic poems virgil s story of the journey of aeneas has been a part of our cultural heritage for so many centuries that it s all too easy to lose sight of the poem itself of its brilliantly cinematic depiction of the sack of troy the monstrous hunger of the harpies the intensity of dido s love for the hero and the blackness of her despair and the violence that aeneas and his men must endure before they can settle in italy and build the civilization whose roots we still claim as our own this new translation brings virgil s masterpiece newly to life for english language readers it s the first in centuries crafted by a translator who is first and foremost a poet and it is a glorious thing david ferry has long been known as perhaps our greatest contemporary translator of latin poetry his translations of virgil s eclogues and georgics having established themselves as much admired standards he brings to the aeneid the same genius rendering virgil s formal metrical lines into an english that is familiar and alive yet in doing so he surrenders none of the feel of the ancient world that resonates throughout the poem and gives it the power that has drawn readers to it for centuries in ferry s hands the aeneid becomes once more a lively dramatic poem of daring and adventure of love and loss of devotion and death never before have virgil s twin gifts of poetic language and urgent compelling storytelling been presented so powerfully for english language readers ferry s aeneid will be a landmark a gift to longtime lovers of virgil and the perfect entry point for new readers aurora rose spreading her pitying light and with it bringing back to sight the labors of sad mortality what men have done and what has been done to them and what they must do to mourn the ships are ready to sail the journey from the fall of troy to the birth of rome is about to begin join us this ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated a reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic in classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need this ebook is just one of many articles from oxford bibliographies online classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of

---

classics oxford bibliographies online covers most subject disciplines within the social science and humanities for more information visit aboutobo.com a sweeping achievement from a poet whose rhythms are as alive to the roll and tang of syllables on the tongue as they are to the circulation of blood and sap rosanna warren theodore roethke memorial poetry prize citation david baker acclaimed for his combination of visionary scope gettysburg review and emotional intensity georgia review is one of contemporary poetry's most gifted lyric poets in swift he gathers poems from eight collections including his masterful latest scavenger loop 2015 the prize winning intimate travelogues of never ending birds 2009 and the complications of history and home in changeable thunder 2001 opening the volume are fifteen new poems that continue baker's growth in form and voice as he investigates the death of parents the loss of homeland and a widening natural history not only of his beloved midwest but of the tropical flora and fauna of a caribbean island together these poems showcase the evolution of baker's distinct eco poetic conscience his mastery of forms both erotic and elegiac and his keen eye for the shifting landscapes of passion heartbreak and renewal with equal curiosity and candor baker explores the many worlds we all inhabit from our most intimate relationships to the wider social worlds of neighborhoods villages and our complex national identity to the environmental community we all share with his dazzling formal restlessness and lifelong devotion to landscapes both natural and human on full display david baker demonstrates why he has been called the most expansive and moving poet to come out of the american midwest since james wright marilyn hacker in this deft analysis vernon shetley shows how writers and readers of poetry operating under very different conventions and expectations have drifted apart stranding the once vital poetic enterprise on the distant margins of contemporary culture along with a clear understanding of where american poetry stands and how it got there after the death of poetry offers a compelling set of prescriptions for its future prescriptions that might enable the art to regain its lost stature in our intellectual life in exemplary case studies shetley identifies the very different ways in which three postwar poets elizabeth bishop james merrill and john ashbery try to restore some of the challenge and risk that characterized modernist poetry's relation to its first readers sure to be controversial this cogent analysis offers poets and readers a clear sense of direction and purpose and so the hope of reaching each other again in confronting these tension they provide an outline of the most troubling questions in the field and offer a variety of responses to them david a j richards's resisting injustice and the feminist ethics of care in the age of obama suddenly all the truth was coming out builds on his and carol gilligan's the deepening darkness to examine the roots of the resistance movements of the 1960s the political psychology behind contemporary conservatism and president obama's present day appeal as well as the reasons for the reactionary politics against him richards begins by laying out the basics of the ethics of care and proposing an alternative basis for ethics relationality which is based in convergent findings in infant research neuroscience and evolutionary psychology he critically analyzes patriarchal politics and states that they are rooted in a reactionary psychology that attacks human relationality and ethics from there the book examines the 1960s resistance movements and argues that they were fundamentally oriented around challenging patriarchy richards asserts that the

---

reactionary politics in america from the 1960s to the present are in service of an american patriarchy threatened by the resistance movements ranging from the 1960s civil rights movements to the present gay rights movement reactionary politics intend to marginalize and even reverse the ethical achievements accomplished by resistance movements creating in effect a system of patriarchy hiding in democracy richards consequently argues that obama s appeal is connected to his challenge to this system of patriarchy and will examine both obama s appeal and the reactions against him in light of the 2012 presidential election this book positions recent american political development in a broad analysis of the role of patriarchy in human oppression throughout history and argues that a feminist based ethics of care is necessary to form a more humane and inclusive democratic politics this volume represents the most ambitious project of distinguished poet david ferry s life a complete translation of virgil s aeneid ferry has long been known as the foremost contemporary translator of latin poetry and his translations of virgil s eclogues and georgics have become standards he brings to the aeneid the same genius rendering virgil s formal metrical lines into an english that is familiar all while surrendering none of the poem s original feel of the ancient world in ferry s hands the aeneid becomes once more a lively dramatic poem of daring and adventure of love and loss devotion and death the paperback and e book editions include a new introduction by richard f thomas along with a new glossary of names that makes the book even more accessible for students and for general readers coming to the aeneid for the first time who may need help acclimating to virgil s world cleopatra kohl and vipers barges and thrones elizabeth taylor and richard burton we have long been schooled in the myth of the egyptian ruler in his new book michel chauveau brings us a picture of her firmly based in reality cleopatra vii reigned in egypt between 51 and 30 b c e her primary goal as a ruler was to restore over the eastern mediterranean the supremacy of the lagides the dynasty of macedonian origin of which she herself was a descendant we know the queen best from greek and latin sources though these must be used with caution because of their bias understandably enough they reflect not only matters of interest to romans but also the propaganda that octavian used against the queen during his struggles with mark antony chauveau combines his knowledge of egyptian sources with judicious use of classical materials to produce an authoritative biography of cleopatra the woman and queen seen in the light of the turbulent era in which she lived d s carne ross 1921 2010 was one of the finest critics of classical literature in english translation after arnold more than four decades of carne ross s writings are represented in this volume which includes criticism of both ancient and modern writers in addition to historical critical studies of translation discriminating analyses of translators widely read today and investigations in the relationship between translation criticism and literary creation this book will appeal to a wide audience including classicists specialists in reception and translation studies students of comparative literature and literary readers identifies and explores roman modes of poetry as received by twentieth and twenty first century anglo american german and french poets ancient epic offers a comprehensive and accessible introduction to six of the greatest ancient epics homer s iliad and odyssey vergil s aeneid ovid s metamorphoses and apollonius of rhodes agonautica provides an accessible introduction to the ancient epic offers

---

interpretive analyses of poems within a comprehensive historical context includes a detailed timeline suggestions for further readings and an appendix of the olympian gods and their akkadian counterparts this book is an interdisciplinary synthesis and interpretation about the experience of light as revealed in a wide range of art and literature from paleolithic to roman times humanistic in spirit and in its handling of facts it marshals a substantial body of scholarship to develop an explication of light as a central even dramatic reality of human existence and experience in diverse cultural settings david s herrstrom underscores our intimacy with light not only its constant presence in our life but its insinuating character focusing on our encounters with light and ways of making sense of these this book is concerned with the personal and cultural impact of light exploring our resistance to and acceptance of light its approach is unique the book s true subject is the individual s relationship with light rather than the investigation of light s essential nature ittells the story of light seducing individuals down through the ages consequently it is not concerned with the progress of scientific inquiries into the physical properties and behavior of light optical science but rather with subjective reactions to it as reflected in art paleolithic through roman architecture egyptian grecian roman mythology and religion paleolithic egyptian and literature e g akhenaten plato aeschylus lucretius john the evangelist plotinus and augustine this book celebrates the complexity of our relation to light s character no individual experience of light is truer than any other none improves on any previous experience of light s tidal pull on us and the wondrous variety of these encounters has yielded a richly layered tapestry of human experience by its broad scope and interdisciplinary approach this pioneering book is without precedent why is america again unjustly at war why is its politics distorted by wedge issues like abortion and gay marriage why is anti semitism still so powerfully resurgent such contradictions within democracies arise from a patriarchal psychology still alive in our personal and political lives in tension with the equal voice that is the basis of democracy this book joins a psychological approach with a political theoretical one that traces both this psychology based on loss in intimate life and resistance to it based on the love of equals to the roman republic and empire and to three latin masterpieces virgil s aeneid apuleius s the golden ass and augustine s confessions in addition this book explains many other aspects of our present situation including why movements of ethical resistance are often accompanied by a freeing of sexuality and why we are witnessing an aggressive fundamentalism at home and abroad multi volume history of american literature my aim is to take familiar things and make poetry of them and do it in such a way that it looks as if it was as easy as could be for anybody to do it the power of making a perfectly wonderful thing out of nothing much from the art of poetry when david ferry s translation of the odes of horace appeared in 1997 bernard knox writing in the new york review of books called it a horace for our times in the epistles of horace ferry has translated the work in which horace perfected the conversational verse medium that gives his voice such dazzling immediacy speaking in these letters with such directness wit and urgency to young writers to friends to his patron maecenas to emperor augustus himself it is the voice of a free man talking about how to get along in a roman world full of temptations opportunities and contingencies and how to do so with one s integrity intact horace s world so unlike our own and yet so like

---

it comes to life in these poems and there are also the poems the famous art of poetry and others about the tasks and responsibilities of the writer truth to the demands of one's medium fearless clear sighted self knowledge and unillusioned uncynical realism joyfully recognizing the world for what it is available in ebook for the first time this english only edition of the epistles of horace includes ferry's translation along with his introduction notes and glossary reading these versions we feel as if the streets that horace walked have opened onto our own peter champion raritan the principles and practice of narrative medicine articulates the ideas methods and practices of narrative medicine written by the originators of the field this book provides the authoritative starting place for any clinicians or scholars committed to learning of and eventually teaching or practicing narrative medicine grace dane mazur uses the idea of the hinge to illuminate real and metaphysical thresholds in fiction poetry myth and ordinary life from ancient narratives of gilgamesh odysseus parmenides and orpheus to modern works by katherine mansfield and eudora welty the exploration of the other world acts as a metaphor for the entrancement of reading and writing looking at lascaux renaissance and byzantine images of christ harrowing hell rubens vermeer and others mazur contemplates writing attention hades the gates of hell trap doors demons love the human body forbidden looking virgil ovid nicodemus nighttown and the melancholy of twilight new york city's broadway district is by far the most prestigious and lucrative venue for american performers playwrights entertainers and technicians while there are many reference works and critical studies of selected broadway plays or musicals and even more works about the highlights of the american theater this is the first single volume book to cover all of the activities on broadway between 1919 and 2007 more than 14 000 productions are briefly described including hundreds of plays musicals revivals and specialty programs entries include famous and forgotten works designed to give a complete picture of broadway's history and development its evolution since the early twentieth century and its rise to unparalleled prominence in the world of american theater the productions are identified in terms of plot cast personnel critical reaction and significance in the history of new york theater and culture in addition to a chronological list of all broadway productions between 1919 and 2007 the book also includes approximately 600 important productions performed on broadway before 1919 why do able bodied characters fake disability in 40 early modern english plays this book uncovers a previously unexamined theatrical tradition and explores the way counterfeit disability captivated the renaissance stage through detailed case studies of both lesser known and canonical plays by shakespeare jonson marston and others lindsey row heyveld demonstrates why counterfeit disability proved so useful to early modern playwrights changing approaches to almsgiving in the english reformation led to increasing concerns about feigned disability the theater capitalized on those concerns using the counterfeit disability tradition to explore issues of charity epistemology and spectatorship by illuminating this neglected tradition this book fills an important gap in both disability history and literary studies and explores how fears of counterfeit disability created a feedback loop of performance and suspicion the result is the still pervasive insistence that even genuinely disabled people must perform in order to paradoxically prove the authenticity of their impairments compiled by three noted poets this is an eclectic stimulating and

## **Semiconductor Transport**

2000-03-16

the information revolution would have been radically different or impossible without the use of the materials known generically as semiconductors the properties of these materials particularly the potential for doping with impurities to create transistors and diodes and controlling the local potential by gates are essential for microelectronics semiconductor transport is an introductory text on electron transport in semiconductor materials and is written for advanced undergraduates and graduate students the book provides a thorough treatment of modern approaches to the transport properties of semiconductors and their calculation it also introduces those aspects of solid state physics which are vitally important for understanding transport in them

## **Bank of the Cottonwoods**

2007-01-01

bank of the cottonwoods bank of the cottonwoods deals with the first eighteen years of my life and the people around me the book is part one of a two book autobiography my version of my life and the people around me is one of many the paragraphs are long the theme varies but i am not a professional author just a country boy the greatest lesson that i learned in those first eighteen years have stuck with me first of all you can find good in most people if you dig deep enough people also can change you do not have to be a product of your environment perhaps the greatest of all the lessons that is portrayed in bank of the cottonwoods is that people in general are programmed from childhood some are programmed to work steal be prejudiced hate or even think they are better than others also that programming can be passed on down several generations perhaps somebody s mom or daddy was wrong and some were right you can call my book fact or fiction but to me they are as real as the 9 11 attack on the world trade center because i lived it

## **50 Years in the Semiconductor Underground**

2015-05-27

this book was derived from a talk that the author gave at the international conference on advanced nanodevices and

**2023-02-01**

**10/27**

---

nanotechnology in hawaii the book is about science and engineering but is not on science and engineering it is not a textbook which develops the understanding of a small part of the field but a book about random encounters and about the strengths and the foibles of living as a physicist and engineer for half a century it presents the author s personal views on science engineering and life and is illustrated by a number of lively stories about various events some of which shaped his life written in a style that is at once lucid and engaging this is an outstanding work that weaves the many threads of science into a rich tapestry

## **The Oilfield Years**

2007-04

the oilfield years is part two of an autobiography though well seasoned a young man is forced into the oilfield at age fifteen in the late 1960 s the oilfield was a wild and hard world it contained mostly good decent hard working people accidents were a common staple of the oilfield in the early years and there was simply put no stability to make a living in the oilfield one had to travel and change jobs a lot you worked with a diversity of people cajuns arabs hondurans indonesians and many other nationalities make up the oilfields something comical occurred often and roughnecks in general created mishaps the oilfield years deals with work fights accidents blunders and my view of that world for over twenty five years i hope you enjoy the book as much as i enjoyed the people

## **Bewilderment**

2012-08-05

winner of the national book award for poetry this is one of the great books of poetry of this young century dan chiasson the new yorker to read david ferry s bewilderment is to be reminded that poetry of the highest order can be made by the subtlest of means the passionate nature and originality of ferry s prosodic daring works astonishing transformations that take your breath away in poem after poem his diction modulates beautifully between plainspoken high eloquence and colloquial vigor making his distinctive speech one of the most interesting and ravishing achievements of the past half century most poets write inside a very narrow range of experience and feeling whether in free or metered verse but ferry s use of meter tends to enhance the colloquial nature of his writing while giving him access to an immense variety of feeling sometimes that feeling is so powerful it s like witnessing a volcanologist taking measurements in the midst of an eruption

ferry's translations meanwhile are amazingly acclimated English poems once his voice takes hold of them they are as bred in the bone as all his other work and the translations in this book are vitally related to the original poems around them these poems highlight an age-old quest for truth that leads the speaker to consider his present and past and to translate works by Horace Virgil Catullus and others vivid and sometimes heartbreaking the Washington Post astonishing a haunted book where ghosts prove that the haunted are still alive and allow for the continuing company of literature slate a necessary book shocking and heartbreaking the rumpus

## **An Incident on the Gosport Ferry**

2020-09-08

it all started weeks ago when the vicar's cheap sherry liberally dispensed after the service went to their heads their little group discovered they were angry and frustrated about so many aspects of their everyday lives as pensioners what they needed was an outlet for all these frustrations before they boiled over as they gazed at the Gosport ferry plying back and forth across the harbour the idea came to them for a protest that would really make people sit up and take notice Hardy was happy to take the lead it was just what he needed to show Joyce his domineering wife that he wasn't ready to be written off just yet but even simple plans have a way of tying themselves up in knots

## **The Situation of Poetry**

2020-10-06

in this book Robert Pinsky writes about contemporary poetry as it reflects its modernist and romantic past he isolates certain persistent ideas about poetry's situation relative to life and focuses on the conflict the poet faces between the nature of words and poetic forms on one side and the nature of experience on the other the author ranges for his often surprising examples from Keats to the great modernists such as Stevens and Williams to the contents of recent magazines he considers work by Ammons Ashbery Bogan Ginsberg Lowell Merwin O'Hara and younger writers offering judgments and enthusiasms from a viewpoint that is consistent but unsteretyped like his poetry Robert Pinsky's criticism joins the traditional and the innovative in ways that are thoughtful and unmistakably his own his book is a bold essay on the contemporary situation in poetry on the dazzling achievements of modernism and on the nature or situation of poetry itself

# The Evolutions of Modernist Epic

2021-01-07

modernist epic is more interesting and more diverse than we have supposed as a radical form of national fiction it appeared in many parts of the world in the early twentieth century reading a selection of works from the united states england ireland czechoslovakia and brazil the evolutions of modernist epic develops a comparative theory of this genre and its global development that development was it argues bound up with new ideas about biological evolution during the first decades of the twentieth century a period known in the history of evolutionary science as the eclipse of darwinism evolution s significance was questioned rethought and ultimately confined to the neo darwinist discourse with which we are familiar today epic fiction participated in and was shaped by this shift drawing on queer forms of sexuality to cultivate anti heroic and non progressive modes of telling national stories the genre contested reductive and reactionary forms of social darwinism the book describes how in doing so the genre asks us to revisit our assumptions about ethnohistorics and organic nationalism it also models how the history of evolutionary thought can provide a new basis for comparing diverse modernisms and their peculiar nativisms

## ***A Study Guide for The Epic of Gilgamesh***

2015-09-24

i sing of arms and the man so begins the aeneid greatest of western epic poems virgil s story of the journey of aeneas has been a part of our cultural heritage for so many centuries that it s all too easy to lose sight of the poem itself of its brilliantly cinematic depiction of the sack of troy the monstrous hunger of the harpies the intensity of dido s love for the hero and the blackness of her despair and the violence that aeneas and his men must endure before they can settle in italy and build the civilization whose roots we still claim as our own this new translation brings virgil s masterpiece newly to life for english language readers it s the first in centuries crafted by a translator who is first and foremost a poet and it is a glorious thing david ferry has long been known as perhaps our greatest contemporary translator of latin poetry his translations of virgil s eclogues and georgics having established themselves as much admired standards he brings to the aeneid the same genius rendering virgil s formal metrical lines into an english that is familiar and alive yet in doing so he surrenders none of the feel of the ancient world that resonates throughout the poem and gives it the power that has drawn readers to it for centuries in ferry s hands the aeneid becomes once more a lively dramatic poem of daring and adventure of love and loss of devotion

2019-04-02

David A. J. Richards's *Resisting Injustice and the Feminist Ethics of Care in the Age of Obama* suddenly all the truth was coming out. It builds on his and Carol Gilligan's *The Deepening Darkness* to examine the roots of the resistance movements of the 1960s, the political psychology behind contemporary conservatism, and President Obama's present-day appeal, as well as the reasons for the reactionary politics against him. Richards begins by laying out the basics of the ethics of care and proposing an alternative basis for ethics relationality which is based in convergent findings in infant research, neuroscience, and evolutionary psychology. He critically analyzes patriarchal politics and states that they are rooted in a reactionary psychology that attacks human relationality and ethics. From there, the book examines the 1960s resistance movements and argues that they were fundamentally oriented around challenging patriarchy. Richards asserts that the reactionary politics in America from the 1960s to the present are in service of an American patriarchy threatened by the resistance movements ranging from the 1960s civil rights movements to the present gay rights movement. Reactionary politics intend to marginalize and even reverse the ethical achievements accomplished by resistance movements, creating in effect a system of patriarchy hiding in democracy. Richards consequently argues that Obama's appeal is connected to his challenge to this system of patriarchy and will examine both Obama's appeal and the reactions against him in light of the 2012 presidential election. This book positions recent American political development in a broad analysis of the role of patriarchy in human oppression throughout history and argues that a feminist-based ethics of care is necessary to form a more humane and inclusive democratic politics.

## ***After the Death of Poetry***

1993

This volume represents the most ambitious project of distinguished poet David Ferry's life: a complete translation of Virgil's *Aeneid*. Ferry has long been known as the foremost contemporary translator of Latin poetry, and his translations of Virgil's *Eclogues* and *Georgics* have become standards. He brings to the *Aeneid* the same genius, rendering Virgil's formal metrical lines into an English that is familiar all while surrendering none of the poem's original feel of the ancient world. In Ferry's

---

hands the aeneid becomes once more a lively dramatic poem of daring and adventure of love and loss devotion and death the paperback and e book editions include a new introduction by richard f thomas along with a new glossary of names that makes the book even more accessible for students and for general readers coming to the aeneid for the first time who may need help acclimating to virgil s world

## **Myth and Method**

1996

cleopatra kohl and vipers barges and thrones elizabeth taylor and richard burton we have long been schooled in the myth of the egyptian ruler in his new book michel chauveau brings us a picture of her firmly based in reality cleopatra vii reigned in egypt between 51 and 30 b c e her primary goal as a ruler was to restore over the eastern mediterranean the supremacy of the lagides the dynasty of macedonian origin of which she herself was a descendant we know the queen best from greek and latin sources though these must be used with caution because of their bias understandably enough they reflect not only matters of interest to romans but also the propaganda that octavian used against the queen during his struggles with mark antony chauveau combines his knowledge of egyptian sources with judicious use of classical materials to produce an authoritative biography of cleopatra the woman and queen seen in the light of the turbulent era in which she lived

## ***Mortality's Muse***

2020-04-14

Since issuing its first volumes in 1959, the Wesleyan Poetry Program has challenged the reigning aesthetic of the time and profoundly influenced the development of American poetry. One of the country's oldest programs, its greatest achievement has been the publication of early works by yet undiscovered poets who have since become major award winners, including Pulitzer and Bollingen prizes, National Book Awards, and many other honors. At a time when other programs are being phased out, Wesleyan takes this opportunity to celebrate its distinguished history and reaffirm its commitment to poetry with the publication of *The Wesleyan Tradition*, drawing from some 250 volumes. Editor Michael Collier documents the wide-ranging impact of these works in his introduction, he describes the literary and cultural context of American poetics in more recent decades, tracing the evolution of the deep image and confessional movements of the 50s and 60s, and exploring the emergence of the prose lyric style. Although the success of the Wesleyan program has inspired its share of imitators, no other program has had such a fundamental impact. Works by the eighty-six poets included here both document and celebrate that contribution.
