2003-07

in today s modern era the people are taking more responsibility for health participating more in health care decisions and choosing health care models which that are more in line with natural healing they have taken the role to of deciding upon what safer treatment they would require for their health care needs and keeping in view of the harmful effects of conventional ones they are switching toward an alternative system of medicine homeopathy being their supreme choice the demand for the use of homeopathic treatment remedies have since been increased in north america lack of awareness in the homeopathy with regards to other alternative system of medicines has remained the concern of the common people in north america the author of the a complete handbook of homeopathic medicine was approached by the homeopathic community in north america and especially the pharmacists to bring out a handbook on homeopathic medicine to guide them with aboutthe homeopathic philosophy and the selection of the appropriate remedy

for common ailments the ailments with the recommended medicine are covered alphabetically the first part explains the history principles of homeopathy and homeopathic pharmacy and therapeutics for selecting the remedy followed by part ii second part which is the materia medica of commonly prescribed homeopathic medicines this book will be useful for every one who has interest in homeopathy and it contains simple steps to choose the right homeopathic remedy for the common ailments it is a labor saving handbook and a easy reckoner providing therapeutic pointers in the treatment of acute and chronic ailments

## **The Clinical Guide**

1891

a substantially revised and updated edition of the highly respected guide to using nutrition as an integrated part of an athlete s total performance enhancing package

## **Therapeutic Guide to Common Diseases**

2003

we instinctively know that exercise eating the right things and taking vitamins sustains our health maintains our youth and offers a sense of wellbeing traditional fitness publications do a great job telling you what to do but lack any explanation as to the why and how they offer a map to youth by micromanaging your diet exercise and or supplements you blindly follow their lead in expectation of finding your fountain of youth through their training every body is different which is why one map may work for one person but not another maybe it failed you so you try another what you may not realize is that although they offer step by step instruction to find the fountain they are not teaching you how to read the map although the map is the same the directions are different for each of us to find the fountain of youth the difference between the layperson and expert is their ability to read the map as a whole that map is our anatomy that cartography lesson is learned by teaching you how exercise diet and supplements work rather than being told what in the same to follow at the end of the lesson you may now understand that your journey may require parts of many methods rather than the single direction of one the author shares his own journey as he teaches you how to read the map so you understand how one has successfully read the map to discover his fountain of youth

## **Illustrated Guide to Homoeopathic Treatment**

2004-06

as homeopathic medicine becomes more available increasing numbers of clinicians families and patients are learning how to use these natural medicines to treat common ailments using homeopathic medicines however is not as simple as matching symptoms with remedies to get the best results with homeopathic medicines it is essential to individualize a remedy according to the pattern of symptoms shown in the sick person dr kruzels homeopathic emergency guide is a quick and reliable handbook
