Research Anthology on Macroeconomics and the Achievement of Global Stability

2022-08-05

this book breaks new ground in considering the nature and function of anthologies of poetry and short stories in twentieth century portugal it tackles the main theoretical issues identifies a significant body of critical writing on the relationship between anthologies literary history and the canon and proposes an approach that might be designated descriptive anthology studies the author aims to achieve a full understanding of the role of anthologies in the literary polysystem moreover this study considers anthologies published in portugal in the early years of the twentieth century the influential figures who made them the works they selected and who read them it also focuses on the principal publishing houses of the 1940s and 50s and how their literary directors shaped public taste and promoted intercultural transfer the author reveals tensions between conservative nostalgic anthologies that promote an idyllic vision of rural portugal and collections of poems that question and challenge the status quo whether in respect of the colonial wars or repressed female sexuality the last part of the book explores anthology production in the period following the revolution of 1974 observing the co existence of traditional anthologising activity with new trends and innovations and noting the role of women both as anthologists and anthology items

Sermões de acção de graças pela feliz restauração de Portugal

1809

a pioneering account of the links between portugal and brazil which survived despite the demise of the portuguese atlantic empire

Vida de D. Nuno Alvares Pereyra segundo Condestavel de Portugal ...

progenitor da Casa Real

1723

this book takes an innovative approach to the study of memories of transit and exile in portugal between 1933 and 1945 in artistic media informed by contemporary debates within memory and translation studies it develops a translational perspective on transcultural memory and explores its ethical implications this study provides an in depth analysis of daniel blaufuks s inter art project sob céus estranhos domingos amaral s novel enquanto salazar dormia and joão canijo s documentary fantasia lusitana it examines the heterocultural networks of signification that these artistic media mobilize to implicate the presence of world war ii refugees in portugal in contemporary negotiations of communality by approaching memory through a translational lens on culture this book also offers new perspectives on remediation memory transfer and the ethical dimensions of remembrance in the context of transcultural memory and migration
