U.S. Army Special Forces Language Visual Training Materials - FRENCH - Plus Web-Based Program and Chapter Audio Downloads 2022-05-31 now included at the end of the book is a link for a web based program pdfs and mp3 sound files for each chapter over 3 700 pages developed by i corps foreign language training center fort lewis wa for the special operations forces language office united states special operations command language training the ability to speak a foreign language is a core unconventional warfare skill and is being incorporated throughout all phases of the qualification course the students will

receive their language assignment after the selection phase where they will receive a language starter kit that allows them to begin language training while waiting to return to Fort Bragg for phase II. The 3rd BN 1st SWTG A is responsible for all language training at the USAJFKSWCS. The Special Operations Language Training SOLT is primarily a performance-oriented language course. Students are trained in one of ten core languages with enduring regional application and must show proficiency in speaking, listening, and reading. A student receives language training throughout the pipeline. In phase IV, students attend an 8 or 14-week language blitz depending upon the language they are slotted in. The general purpose of the course is to provide each student with the ability to communicate in a foreign language. For successful completion of the course, the student must achieve at least a 1-1-1 or higher on the Defense Language Proficiency Test in two of the three graded areas: speaking, listening, and reading.
