a paradigm shifting model of parenting children in two homes from an internationally recognized expert a researcher therapist and mediator robert emery ph d details a new approach to sharing custody with children in two homes huge numbers of children are affected by separation divorce cohabitation breakups and childbearing outside of marriage these children have two homes but their parents have only one chance to protect their childhood building on his 2004 book the truth about children and divorce and a strong evidence base including his own research emery explains that a parenting plan that lasts a lifetime is one that grows and changes along with children s and families developing needs parents can and should work together to renegotiate schedules to best meet the changing needs of children from infancy through young adult life divided into chapters that address the specific needs of children as they grow up emery introduces his hierarchy of children s needs in divorce provides specific advice for successful parenting starting with infancy and reaching into emerging adulthood advocates for joint custody but notes that children do not count minutes and neither should parents highlights that there is only one side for parents to take in divorce the children s side himself the father of five children one from his first marriage emery brings a rare combination of personal and professional insight and guidance for every parent raising a child in two homes

The Two Homes, Or, Earning and Spending 1865

this story is based on the personal experiences of the author and written as a way in which children of separated families can better relate

to their circumstances and try and find positives in what can be an emotionally disturbing situation during early childhood it is also produced as a means for parents to be able to relate circumstances in an objective manner to their children without having to go into specifics that are normally beyond the comprehension of young children i am hopeful that this will help a lot of families going through a period of separation but most importantly provide a means to have a bedtime story to help a child sleep peacefully knowing they are cherished and loved always
