the gospel according to judas by benjamin iscarriot is the result of an intense collaboration between a storyteller and a scholar jeffrey archer and francis j moloney their brilliant work bold and simple is a compelling story for twenty first century readers while maintaining an authenticity that would be credible to a first century christian or jew the very name of judas raises among christians an instinctive reaction of criticism and condemnation the betrayal of judas remains a mystery pope benedict xvi october 2006 the gospel according to judas by benjamin iscarriot sheds new light on the mystery of judas including his motives for the betrayal and what happened to him after the crucifixion by retelling the story of jesus through the eyes of judas using the canonical texts as its basic point of reference ostensibly written by judas s son benjamin and following the narrative style of the gospels this re creation is provocative compelling and controversial
