Introduction to Logic 2018-09-03 in this creative study of history and popular culture w d king ingeniously illustrates how a long forgotten instance in theatre history can reveal the very process of historical change itself late in the nineteenth century henry irving the leading actor manager of the english stage was scathingly attacked by george bernard shaw for his popular performance in conan doyle's play a story of waterloo shaw's review was one of the first onslaughts in a war against the old guard of the english stage against victorianism against england and empire itself king's depiction of this event and its aftermath illuminates the period's crucial values and cultural issues and is presented in a manner that is both convincing and highly entertaining this title is part of uc press's voices revived program which commemorates university of california press's mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1993

Introduction To Logic 2003 religious evolution and the axial age describes and explains the evolution of religion over the past ten millennia it shows that an overall evolutionary sequence can be observed running from the spirit and shaman dominated religions of small scale societies to the archaic religions of the ancient civilizations and then to the salvation religions of the axial age stephen k sanderson draws on ideas from new cognitive and evolutionary psychological theories as well as comparative religion anthropology history and sociology he argues that religion is a biological adaptation that evolved in order to solve a number of human problems especially those concerned with existential anxiety and ontological insecurity much of the focus of the book is on the axial age the period in the second half of the first millennium bce that marked the greatest religious transformation in world history the book demonstrates that as a result of massive increases in the scale and scope of war and large scale urbanization the problems of existential anxiety and ontological insecurity became particularly acute these changes evoked new religious needs especially for salvation and release from suffering as a result entirely new religions zoroastrianism judaism christianity hinduism buddhism confucianism and daoism arose to help people cope with the demands of the new historical era

Biographies and Miscellaneous Papers ... Collected and arranged by P. Irving. 1873 washington irving s contributions to the corrector was first published in 1968 minnesota archive editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original university of minnesota press editions this volume makes available for the first time in collected form a series of sketches by washington irving which were published anonymously in a political newspaper the corrector in 1804 the corrector a short lived political sheet was published in new york city by washington irving s brother peter irving while it has been assumed that washington irving contributed to the periodical the present collection represents the first attempt to identify his contributions the collection contains forty five pieces by washington irving in addition professor roth provides a literary and historical background in a lengthy introduction as well as annotations for each selection giving the documentary evidence on which the attribution of authorship is based washington irving s sketches for the corrector were written as campaign literature for aaron burr in the new york gubernatorial election of 1804 as professor roth points out they are filled with low and indecent abuse and they contradict accepted notions of irving s literary character the view of irving from the nineteenth century onward has been that of a gentle genial and dignified personality and his excursions in low invective or slapstick have generally been dismissed as accidents or exceptions to his read nature the editor places this body of irving s work in the perspective of traditional invective and traces its relationship to other comic and satiric writing of the eighteenth century

The life & letters of Washington Irving 1862 a look at the incredible world of insects by your host irving using illustrations from a number of illustrators in a humorous way irving gives tid bits of fascinating information about the insects did you know that mosquitoes have 47 teeth that some of your favorite candy is actually crushed up beetles especially the red ones a perfect book for all ages and kids will enjoy the sometimes zany approach to the artwork

The Life & Letters of Washington Irving 1862 the locater lists in alphabetical order every name in all the social registers and indicates the family s head under which it may be found and the city in which the name appears

Jesus and the Judaism of His Time 2013-05-02 includes dilatory domiciles
