 service intervals in this article i'll explain condition based service cbs and what it means when
 servicing your bmw e90 cbs is the maintenance system bmw created to manage regular service
 intervals and maintenance items the car has a condition base service cbs system that provides
 notification of when oil changes oil life monitor and spark plug changes 100 000 miles for the
 325i 328i 2006 2009 my are due repair of bmw 3 series body models e90 e91 318d 320d 320i 325i
 330i since 2004 equipped with gasoline engines n46 b18 n46 b20 n52 b25 n52 b30 volume 1 6 1 8 2 0
 3 0l and diesel engines m47tu2 m47tu20l i am going to show you how to reset your service lights
 with a simple youtube video i made earlier it requires no tools or anything just a few buttons to
 press on your car and you're set which means you can diy the service for your car immediately
 after service reminder goes out press and hold the odometer reset after 3 secs a warning triangle
 will appear keep the odo button pressed and after another 2 3 secs the oil can will appear my
 dealer said that although the first service is due only at 15k included in the maintenance
 package it is good to have the oil changed at 7500 this oil change is not free and costs about
 100 he recommended i do it for the first time and if i intent to keep the car longer in good
 condition i am driving e90 320d and bought it last year from private owner the car mileage now
 over 105 000 km and most of the maintenance i did by myself and sometime send to outside workshop
 i also cannot find much details from car manual this 3.0 liter inline six naturally aspirated
 engine debuted with the e90 generation of the 3 series the base 328i makes 230 horsepower and 200
 pound feet of torque and this setup was mated to features high quality injection molded
 reinforced polymer receiver w licensed fn herstal trademarks metal barrel assembly ultra light
 weight compact and ergonomic bullpup design allows for a longer inner barrel to improve accuracy
 and range since it's been a few months since you posted how much did your e90 60k service cost i
 just hit that mark and i need to take it in for service did you take it to the dealer or your
 local mechanic compact and fast the tm e90 tr aeg is a cqb ready smg with tokyo marui's famous
 reliability see more this high quality gun is designed to provide you with the ultimate airsoft
 experience with its sleek black design and powerful performance the p90tr with silencer aeg black
 tokyo marui is built to last with a durable construction that can withstand even the toughest
