The Ready-Made Quiz 2014-03-25 i love quizzes don t win very many but i love them nevertheless there is something very rewarding in the act of trawling through the inner recesses of one s mind to find that obscure fact or dipping into the dusty mental library that houses ancient school lessons it is probably genetic my grandfather victor lloyd loved quizzes and crossword puzzles and published many fine quiz books in the original pillar publishing dublin in the 1930s and 40s now that i have created pillar international publishing i have sought to pay tribute to granda lloyd s enterprise with this small series of books in this particular book i have brought together my series of ready made quizzes volumes 1 to 10 the format of the book is 10 quizzes of 10 rounds of 10 questions so that the reader can pick and choose rounds to form the basis of a quiz organised for your club school charity or company the questions vary in difficulty from easy to not so easy but i have stayed away from questions that are overly obscure to allow for a greater overall feeling of inclusion competition and entertainment the questions have been set i hope without any bias towards one country s culture they can therefore be enjoyed
