Microsoft Dynamics NAV 2018

Nov 21 2021

Nov 3 2021 Microsoft Dynamics NAV 2018 is a powerful business management solution that helps you manage your business more effectively. It provides a comprehensive set of tools for managing your business, including financial management, sales and marketing, and customer relationship management. Microsoft Dynamics NAV 2018 is designed to be easy to use and integrate with other Microsoft products, making it a great choice for businesses of all sizes.

## mastercard reimagines online checkout commits to reaching

Oct 21 2021

Mastercard is committed to making online checkout safer and more accessible for everyone. This supports a global commitment to phase out manual card entry and make e-commerce safer and more accessible for everyone as payments become more intricate. Mastercard is leveraging tokenization, streamlined guest checkout, and payment passkeys to create a consistent experience across devices, browsers, and operating systems.

Microsoft Dynamics NAV 2018 is a powerful business management solution that helps you manage your business more effectively. It provides a comprehensive set of tools for managing your business, including financial management, sales and marketing, and customer relationship management. Microsoft Dynamics NAV 2018 is designed to be easy to use and integrate with other Microsoft products, making it a great choice for businesses of all sizes.
