style and fashion mattered greatly were central to their presentation and i became fascinated with them i discovered what i believed was a subculture of chic and i thought it merited a story baron wolman the 1960s witnessed a huge cultural revolution music was at the heart of a new generation s rallying cry for love peace and harmony from small clubs to giant festivals like

woodstock with men predictably dominating as musicians and performers the women and girls backstage started to explore their own forms of liberation and self expression they became better known as the groupies offering their allegiance to the music and the artists who made it on february 15 1969 rolling stone magazine released a special super duper neat issue called the groupies and other girls featuring the work of their chief photographer baron wolman it would turn out to be a sensational milestone making instant celebrities of the women featured with this single issue the groupies had arrived they emerged as extraordinary women whose lifestyles divided opinion and remain controversial some became models actresses writers artists and musicians the gtos the original groupie band admired and encouraged by frank zappa is featured here others fell into obscurity now over 45 years later acc and iconic images are proud to publish the photographs of baron wolman in a single volume groupies and other electric ladies features more than 150 images including previously unseen out takes and contact sheets and comes complete with the original rolling stone text as well as interviews with several of the women today selling points now in paperback the acclaimed book groupies and other electric ladies by iconic photographer baron wolman with photographs taken for the february 1969 special super duper neat issue of rolling stone key images from a time of explosive revolution in music and culture featuring pamela des barres catherine james sally mann cynthia plaster caster and many more the original chronicle of the women who became deeply influential style icons integral to the worlds of musicians like frank zappa the doors led zeppelin the rolling stones captain beefheart alice cooper the who and gram parsons featured in the new york times rolling stone the guardian and new yorker magazine voted one of the best photo books of the year by the new york post 200 b w

## Rolling Stone's Alt-rock-a-rama

1996

featuring the work of baron wolman the first photographer to work for america s legendary rolling stone magazine many of whose images from the late sixties and early seventies have become iconic shots from rock s most fertile era alongside scores of classic photos is baron s first hand account of the magazine s early years and his memorable encounters with the rock stars of the day

## Rocks Off

2014-02-06

cleverly marketed by their original manager as the bad boys of rock the rolling stones have survived dalliances with the devil drug busts and the death of founding member brian jones to become the world s longest running rock and roll band led by partners in crime mick jagger and keith richards the rolling stones have had no 1 hits released classic albums broken box office records and literally changed the world all too often however books on the rolling stones glimmer with gossip instead of shimmering with facts about the band s music the rolling stones faq presents these musical facts in a fast moving fan friendly read the five incarnations of the rolling stones are highlighted with in depth explorations of the band s hit records albums films and tours the band s story is told not only through the biographies of the eight men to each be called a rolling stone but also through the stories of session men producers managers artists girlfriends and wives who have contributed to the enduring yet controversial success of the rolling stones
