

Ebook free 2014 enrolment guide brainline Copy

brainline's uniquely combined curriculum allows any parent or tutor to guide the learner through the coursework required to master the academic year. The curriculum for all grades are in line with the national curriculum statement and is delivered exclusively through the brainline software, dvd and textbooks. In some subjects, enrol now. Contact us. Students: brainline provides a great learning experience for students to learn and grow. Parents: brainline provides parents and guardians with all the tools and guidance they need to support students. Teachers: brainline's teachers have all the tools they need to set their students up for success. IEB recognised. Go to mybrainline.com and enrol for the product that suits your child's needs. Your enrolment is first approved; you will then get access to brainonline (brainonline.com), our online learning platform, and the brainline ereader downloaded from mybrainline.com if purchased. Enrolment is open all year. Some assessments scheduled for earlier in the year may be compulsory. Successful completion of the previous grade is recommended. Brainline is registered with the IEB and therefore uses a curriculum that complies with the statutory requirements of the CAPS curriculum while adapting the content and assessment to the grade/r program. Features: enrolment, period, admission requirements, and fees. Enrol now. School readiness test before enrolment.
