

Download free Interqual guidelines (2023)

Interqual is a set of guidelines for the assessment of the quality of care in Dutch hospitals. It is developed by the Dutch Health Care Inspectorate (IGZ) and the Dutch Association of Health Care Providers (VZA). The guidelines cover various aspects of care, including patient safety, patient participation, and the quality of care. The guidelines are intended to be used by health care providers to assess and improve the quality of their care. The guidelines are available in Dutch and English. The English version is available for free download.
