in the aftermath of the global financial crisis there have been many criticisms weighed against private credit rating agencies many claim they only exacerbate financial market volatility by issuing faulty public statements ratings warnings

and downgrades this instability increases the uncertainty in business environments and weakens the pace of business investment their rating changes also prompt national governments to reduce their spending at a time when fiscal expenditures are crucial for economic recovery public credit rating agencies argues for the creation of national public credit rating agencies offering the first in depth discussion of their implied role and function operating alongside private agencies schroeder provides an up to date overview of the ratings industry and the government bodies that monitor its activities she suggests that the proper implementation of public credit rating agencies will promote the stability of lending further development and adaptation of new technology and increase labor productivity and the profitability of new investment in businesses finally this book clarifies the inconsistencies that have surfaced between public budgeting and a rating agency s evaluation of national budgets

## **Furthering Higher Education Possibilities through Massive Open Online Courses**

2015-09-09

poverty and inequality are at record levels today forty seven million americans live in poverty while the median is in decline the top 20 percent now controls 89 percent of all wealth these conditions have renewed demands for a new economic bill of rights an idea proposed by f d roosevelt truman and martin luther king jr the new economic bill of rights has a coherent plan and proclaims that all americans have the right to a job a living wage a decent home adequate medical care good education and adequate protection from economic fears of unemployment sickness and old age integrating the latest economic and social data ending extreme inequality explores each of these rights each chapter includes an analysis of the social problems surrounding each right a historical overview of the attempts to right these wrongs and assessments of current solutions offered by citizens community groups and politicians these contemporary real life solutions to inequality can inspire students and citizens to become involved and open pathways toward a more just society
