FIFA World Cup and Beyond 2018-10-29

soccer the most popular mass spectator sport in the world has long been a site which articulates the complexities and diversities of the everyday life of the nation the imaging and prioritization of the game as a national or an international event in public opinion and the media also play a critical role in transforming the soccer culture of a nation in this context the fifa world cup remains the grand spectacle for asserting the identity of the nation this book intends to offer eclectic perspectives and discourses on the fifa world cup and to throw light on the changing dimensions of football and sports culture in terms of identity race ethnicity gender fandom governance and so on on the one hand it focuses on the significance of the fifa world cup for nations in terms of hosting performance playing style and identity formation on the other it looks beyond the world cup to highlight the growing importance of a host of perspectives in sport in general and football in particular with reference to art fandom gender media and governance the chapters in this book were originally published as a special issue of sport in society

100 Years of Football 2004

fifa the international football federation celebrates 100 years of soccer with a beautiful gift book that every fan will cherish the first official publication on the sport s history and the most comprehensive and wide ranging it s filled with rare and breathtaking images interviews with soccer s top personalities and other material from fifa s extensive archives fifa has spared no expense in creating this lavish volume which celebrates a century of soccer and the care shows on every page it s the fullest most fabulous history ever of this global sport beginning with the ancient ball games that were soccer s direct ancestors moving on to the establishment of official rules in a london pub in 1863 and continuing right to the present day all the richness and diversity of this extraordinary sport come through in an examination of different styles of play various stadiums throughout the world the international media coverage and the growing importance of women s teams money politics personalities fan mania the youthful players who are soccer s future they re all here above all there are the amazing pictures which not only capture the excitement of the game with players caught flying in midair and even upside down but also feature posters images from magazines and newspapers and paintings by soccer loving artists like the sport itself it s simply magnificent

100 Years of Football 2004

world football is in crisis the corruption scandal engulfing fifa is arguably the biggest story in the history of modern sport and a watershed for sport governance more than a decade ago john sugden and alan tomlinson laid the foundations for subsequent investigations with the publication of badfellas a groundbreaking work of critical sport sociology that exposed the systematic corruption at the heart of world football it was a book that fifa and sepp blatter tried to ban now re issued to combine the original contents of badfellas with new chapters covering the current crisis this book points to the ways in which fifa s new administration can learn from the blatter story the prequel traces the course of sugden and tomlinson s game changing investigation into fifa while the sequel updates the fifa story from 2002 onwards and provides a chronology of crises and scandals within the fifa narrative demonstrating the vital importance of critical investigative methods in sport studies football corruption and lies revisiting badfellas the book fifa tried to ban is essential reading for anybody looking to understand blatter s rise and fall

Football, Corruption and Lies 2017-12-04

managing the football world cup explores areas often overlooked by project management and business studies researchers therefore considering the global impact of the football world cup it is time for a detailed examination of the planning organization management implementation and related commercial features of this mega sport event

Managing the Football World Cup 2014-12-02

this book explores the role of fifa in brokering the development of football in africa and its relationship with that continent s football associations and regional governing body africa is no longer on the periphery of world football but the economic disparities between the first and the third worlds hinder the development of the game the author shows convincingly how africa s advance within world football is tied to its national political economy and how the balance of power within fifa still clearly favours its european members

Africa, Football and FIFA 2013-10-08

the fifa world cup is arguably the biggest sporting event on earth this book is the first to focus on the business and management of the world cup taking the reader from

the initial stages of bidding and hosting decisions through planning and organisation to the eventual legacies of the competition the book introduces the global context in which the world cup takes place surveying the history and evolution of the tournament and the geopolitical background against which bidding and hosting decisions take place it examines all the key issues and debates which surround the tournament from governance and corruption to security and the media and looks closely at the technical processes that create the event from planning and finance to marketing and fan engagement analysis of the women's world cup is also embedded in every chapter and the book also considers the significance of world cup tournaments at age group level no sport business or management course is complete without some discussion of the fifa world cup so this book is essential reading for any student researcher or sport business professional looking to fully understand global sport business today

The Business of the FIFA World Cup 2022-04-08

if there is anything close to a universal game it is association football also known as soccer football futsal fútbol fitba and futebol the game has now moved from the physical to the digital ea's football simulation series fifa with profound impacts on the multibillion sports and digital game industries their cultures and players throughout its development history ea's fifa has managed to adapt to and adopt almost all video game industry trends becoming an assemblage of game types and technologies that is in itself a multi-faceted probe of the medium's culture history and technology ea sports fifa feeling the game is the first scholarly book to address the importance of ea's fifa from looking at the cultures of fandom to analyzing the technical elements of the sports simulation and covering the complicated relations that ea's fifa has with gender embodiment and masculinity this collection provides a comprehensive understanding of a video game series that is changing the way the most popular sport in the world is experienced in doing so the book serves as a reference text for scholars in many disciplines including game studies sociology of sports history of games and sports research

EA Sports FIFA 2022-07-14

every four years the fifa world cup captures the global imagination like no other sporting spectacle with a cumulative television audience of several billion people tuning in to the 2014 world cup and an estimated 700 million watching the finals including more than 25 million in the united states alone the world cup is the world's most watched sporting event the encyclopedia of the fifa world cup provides the most comprehensive and up-to-date information available on the history of this incomparable event an introductory narrative explains the origins and historical progression of the world cup while a chronology traces the development of the world cup since it was first held in 1930 hundreds of entries cover the players and coaches who have participated in the world cup and made the most memorable contributions to the event's history additional entries include officials stadiums overviews of each major country's performances and more a separate section provides detailed entries for each world cup finals tournament appendixes contain details on every participant in world cup history as well as top performers officials and world cup records including an indispensable bibliography on the key world cup texts encyclopedia of the fifa world cup is an essential reference for soccer fans players and researchers alike

Encyclopedia of the FIFA World Cup 2015-01-14

founded in 1904 by representatives of the sporting organisations of six european nations then expanding into the americas asia and africa fifa has developed to become one of the most high profile and lucrative businesses in the global consumer and cultural industry recent years however have been characterised by a series of crises leaving the organisation open to critique and exposure and creating a soap operatic narrative of increasing interest to the global media in this critical new account of one of the world's most important sporting institutions professor alan tomlinson investigates the history of fifa and the underlying political dynamics characterising its growth the book explores the influence of the men who have led fifa the emergence of the world cup as fifa's exclusive product fifa's relationships with other federations and associations the crises that have shaped its recent history and the issues and challenges that are likely to shape its future particular focus is given to selected moments in the post havelange administration and the way in which fifa its current president joseph blatter and some key close colleagues have responded to and survived successive scandals the book provides a foundation for understanding the growth and development of what is widely accepted as the world's most popular sport sheds light on the shifting politics of nationalism in the post colonial period and reveals the opportunistic forms of personal aggrandizement shaping an increasingly media influenced and globalizing world in which international sport was both a harbinger and an early reflection of these trends and forces fascinating and provocative this is essential reading for anybody with an interest in soccer sport and society sports governance or global organisations

The FIFA 100 2004

2016 marks the 50th anniversary of the 1966 fifa world cup hosted in england unlike previous literature which has tended to focus activities on the field this book brings an institutional level approach to organizing the 1966 fifa world cup and examines the management process in the buildup and execution of the event this intriguing new volume looks at the first significant uk government intervention in football and how this created a significant legacy as the government started to take a real interest

in leisure facilities and stadium safety as policy areas after this competition foundations of managing sporting events will be of considerable interest to research academics working on aspects of post war british imperial and world history including sport social business economic and political history

FIFA (Fédération Internationale de Football Association) 2014-04-03

content as brazil 2014 will yet again show the fifa world cup is a mega event followed by billions of spectators around the globe this volume is the first scholarly attempt to capture the history of the fifa world cup in its entirety from the first world cup in 1930 to the one in 2010 the tournament has exerted strong influences and acted as an important indicator of political economic social and cultural developments in bringing together contributions by international experts from history cultural studies sociology and politics this volume explores some crucial issues linked to the world cup from the political exploitation of the tournament for domestic purposes to its economic ramifications for the host nation and beyond from its role for national identity and national self representation to its potential to realize transnational modes of identity and interdependence from its role as a global media event to its impact on the commercialization of football on the national and transnational stage zum inhalt auch bei der kommenden fußballweltmeisterschaft in brasilien werden milliarden zuschauer überall auf der welt das ereignis verfolgen der fifa world cup ist ein megaevent doch seine bedeutung geht weit über das singuläre ereignis hinaus seit der ersten austragung im jahr 1930 war das turnier ein wichtiger indikator für politische soziale und kulturelle entwicklungen die behandelten themenkomplexe von experten aus aller welt überwiegend historiker soziologen und kulturwissenschaftler reichen von politischem missbrauch des turniers für innenpolitische zwecke über wirtschaftliche faktoren nationale identitäten bzw ihre selbstrepräsentationen bis hin zu der entwicklung eines medialen großereignisses

Foundations of Managing Sporting Events 2016-08-05

in fifa and the contest for world football sugden and tomlinson provide the first full length study of fifa the federation internationale de football association and its role in framing and controlling world football interviewing more than seventy influential leaders world wide and drawing on exclusive documentary sources the authors demonstrate fifa s importance in twentieth century sport and in an increasingly global consumer culture the first part of the book covers the origins and organizational characteristics of fifa and of the european and south american federations the second part considers how new and powerful players have emerged in fifa in the wake of the collapse of empires the book includes analyses of football s contributions to the growth of nationalism and anti imperialism the use of football by ruthless and sometimes corrupt officials and political despots and its expansion under the influence of increasingly prominent commercial paymasters football s role in africa asia and the usa is also illuminated and fifa s global mission and rhetoric evaluated the book is a valuable addition to the politics and social history of sport and to the sociology of the global system and the changing world order it will be of interest to students and researchers in the areas of sport studies cultural studies and the sociology of popular culture and to everyone concerned with the social organization of one of the world s most popular sports
