Bill Gates - Change Agent of Information Technology 2010-05-10

essay from the year 2009 in the subject computer science internet new technologies grade a language english abstract the following essay is a nine page paper regarding bill gates who is considered the most powerful change agents of the century for information technology it follows gates career with microsoft from beginning beyond along with his philanthropy which is going beyond just mere helping

Bill Gates (ELL). 2014

you know him as the founder of microsoft the philanthropic kind hearted billionaire who has donated endless funds to good causes around the world but there s another side to bill gates we might like to think of the gates foundation as an innocent charity giving away money collaborating with stakeholders and listening to the desires of the populations it hopes to help but is that how it works in practice combining rich storytelling and ground breaking reporting the bill gates problem offers readers a provocative and timely counter narrative about one of the world s most widely recognized individuals a true global celebrity with international reach but more than that this book speaks to a vital political question around economic inequality and the erosion of democratic institutions why should the super rich be able to transform their wealth into political power and just how far can they go

The Bill Gates Problem 2023-11-16

he s the richest man in the world and what does such an individual do with all that money find out the naked truth in this riotously funny do it yourself paper doll construction book that manages to surround mr bill gates with all the physical trappings of modern society what can you do with bill admire him in his gap khakis and virtual reality binoculars as the itinerant internet explorer bill at the high school prom in his baby blue ruffled tux pockets bulging with clearasil richie rich comics and nerdy glasses bill call me mr relaxed gates at home in his hugh hefner style bathrobe and a windows for dummies repair kit so join the millions who will let go of their computer mice mice for a second and cut up the man behind the software wars the justice department coups and the wonderful world of windows bill gates
