passenger train route between california s capital sacramento and san jose the state s first capital upon admission to the union in 1850 the capitol corridor is now an integral part of the transportation scene in northern california since 1991 its equipment and infrastructure have evolved to keep pace with technology as well as the area s dynamic economic and social environment author and photographer matthew gerald vurek has produced a geographic pictorial of the quarter century of changes to the trains and the railroad along the capitol corridor page 4 of cover based upon real events a group of modern day amtrak passengers find themselves suddenly part of an excursion train in the 1860 s during the building of the transcontinental railroad come along as our characters try to adapt to their new world in post civil war nebraska california dreaming is about my journey to america for higher studies in 1961 and my difficult first 2 years on the way i had a wonderful shipboard romance with kavita a tall indian woman we parted in italy and we were heartbroken before we could meet in america she had to rush back to india because grandmother had a heart attack later she visited with her mother the highlight was her trying on a bikini what a beautiful sight voluptuous breasts curvy body long legs it was huge turn on and later we enjoyed passionate lovemaking love of my life could not stay and had to return to india i wondered if i would see her again college in indiana was great but i could not handle snow and california was calling driving there in an old car was adventurous discrimination was high against a turbaned sikh no decent jobs were available to me finally i got a job at a packinghouse it was hard keeping my head above water while studying at fresno state where is kavita are we destined to be together in 1834 harvard dropout richard henry dana jr became a common seaman and soon his two years before the mast became a classic literary
