browse our interactive map of roman sites and remains in england scotland and wales ben johnson
25 min read from the world heritage site of hadrian s wall to the lesser known villas and
amphitheatres that once dotted the land britain has a surprisingly large amount of roman ruins
that can still be visited today remains of roman britain can be found everywhere from walls left
in our cities to forts and villas in the countryside why not explore your local area and stumble
upon a historical site you haven t visited here are some of our favourite roman sites from around
the country 1 hadrian s wall northumberland if you re curious to learn about roman history and
see roman ruins in london here are all the places where that can be done i ve started with the
easiest and shared the details of access wherever that is possible there are many roman sites in
great britain that are open to the public there are also many sites that do not require special
access including roman roads and sites that have not been uncovered 11 roman ruins worth the trip
the roman empire stretched far and wide at its height and as a result impressive roman ruins are
littered across europe north africa and the middle east these range from sprawling roman cities
roman additions to ancient greek cities and small outposts and temples while you can see remnants
of ancient rome in hidden in a vault under the guildhall gallery are the remains of the roman
londinium amphitheatre a group of archaeologists from the museum of london discovered the remains
while planning a new gallery project here are five places with roman remains that you can find
yourself three are free on your york adventure plus a sixth bonus statue that isn t roman but it
s of a roman emperor roman baths the roman baths are funnily enough situated beneath the floor of
the pub roman bath thousands of years later britain is dotted with the remains of an empire that
was in many ways ahead of its time the remarkable sophistication of the architecture artistry and
innovation on show at many of these sites belies their age this post covers roman london where
was it and what remains of it we include a map of the top roman sights and tips on where to find
them as well as how to take tours of a few of them the most spectacular roman remains of all can
be found in the basement of guildhall art gallery historians had long conjectured that londinium
must have had some kind of sporting arena 10 roman locations in london londinium was a settlement
established on the current site of the city of london around ad 50 it served as a major
commercial centre for the roman empire until its abandonment during the 5th century 1
billingsgate roman bath house 19 outstanding roman ruins in britain to visit there are dozens of
roman ruins in britain and they are dotted around the country from scotland to wales from the
heritage site of hadrian s wall which most people have heard of to many lesser known roman forts
villas and even castles excavations have revealed the impressive 7 meter high remains of the
basilica old work and a roman bath in addition visitors can enjoy a reconstructed roman townhouse
built in 2010 a museum displays the roman period artefacts discovered at the site such as coins
glassware pottery and ornaments when in rome you must visit the colosseum unsurprisingly there
are hundreds of amazing roman ruins in rome the city is brimming with history and we ve created
this list of the top roman ruins in rome this is a list of ancient roman temples built during
antiquity by the people of ancient rome or peoples belonging to the roman empire roman temples
were dedicated to divinities from the roman pantheon substantial remains most of the best
survivals had been converted into churches and mosques archaeologists in the city of bath in
southwest england have discovered an approximately 2 000 year old roman sarcophagus containing
two bodies the limestone coffin holds the preserved remains includes indexes the roman army in
britain roman remains in britain historical outline some roman emperors south east england wessex
and the south west mendips cotswolds east anglia central england wales including cheshire the
pennines the lakes hadrian s wall scotland london gazetteer of visible perhaps the most striking
example of the roman remains in scotland is ardoch fort just a couple of miles off the a9 at
braco in perthshire many ancient roman structures and buildings remain around the former roman
world most of these are in ruins some are in reasonable preservation and a few remain in use
roman buildings still in use include a few amphitheatres many theaters temples baths and more
archaeologists have discovered 17 decapitated bodies at three roman cemeteries in cambridgeshire
eastern england an exceptionally high number which experts think were the result of judicial
