and history with a radical reading of kabbalah prochnik combines biography and memoir to counter our contemporary political crisis with an original and urgent reimagining of the future of israel in stranger in a strange land prochnik revisits the life and work of gershom scholem whose once prominent reputation as a freud like interpreter of the inner world of the cosmos has been in eclipse in the united states he vividly conjures scholem s upbringing in berlin and compellingly brings to life scholem s transformative friendship with walter benjamin the critic and philosopher in doing so he reveals how scholem s frustration with the bourgeois ideology of germany during the first world war led him to discover judaism kabbalah and finally zionism as potent counter forces to europe s suicidal nationalism prochnik s own years in the holy land in the 1990s brings him to question the stereotypical intellectual and theological constructs of jerusalem and to rediscover the city as a physical place rife with the unruliness and fecundity of nature prochnik ultimately suggests that a new form of ecological pluralism must now inherit the historically energizing role once played by kabbalah and zionism in jewish thought

**The Stranger in the Seine** 2024-05-30 the french suspense king new york times one of the great thriller writers of our age daily express it s no wonder that guillaume musso is one of france s most loved bestselling authors harlan coben paris a misty night a few days before christmas a young woman is saved from the waters of the seine unable to remember her name or how she ended up in the river she is taken to the hospital only to disappear into thin air dna testing reveals the mysterious woman to be famous pianist milena bergman but that cannot be milena died in a plane crash over a year ago as police captain roxane begins to investigate she is plunged deep into an impossible enigma is it possible to be alive and dead at the same time

**Stranger in the Hills** 1971 finalist for the pulitzer prize in biography winner of the 2020 national book critics circle award winner of the pen jacqueline bograd weld award for biography a captivating the washington post work of history that explores the life of an unconventional woman during the first half of the 19th century in edo the city that would become tokyo and a portrait of a city on the brink of a momentous encounter with the west the daughter of a buddhist priest tsuneno was born in a rural japanese village and was expected to live a traditional life much like her mother s but after three divorces and a temperament much too strong willed for her family s approval she ran away to make a life for herself in one of the largest cities in the world edo a bustling metropolis at its peak with tsuneno as our guide we experience the drama and excitement of edo just prior to the arrival of american commodore perry s fleet which transformed japan during this pivotal moment in japanese history tsuneno bounces from tenement to tenement marries a masterless samurai and eventually enters the service of a famous city magistrate tsuneno s life provides a window into 19th century japanese culture and a rare view of an extraordinary woman who sacrificed her family and her reputation to make a new life for herself in defiance of social conventions a compelling story traced with meticulous detail and told with exquisite sympathy the wall street journal stranger in the shogun s city is a vivid polyphonic portrait of life in 19th century japan that evokes the shogun era with panache and insight national review of books

**Stranger in the Snow/L'etranger dans la neige** 2020-04-22 00000000 000000000000 00000000000 000000000000 00000 0000000000000 000000 0000000000000000 00000000 0000

A Stranger in the House 1983 mary is being followed and wants to find out who he is and why in her search she helps stop a kidnapping finds true love and learns more about herself

*Stranger in the dark* 1974 taking his lead from his subject gershom scholem the 20th century thinker who cracked open jewish theology and history with a radical reading of kabbalah prochnik combines biography and memoir to counter our contemporary political crisis with an original and urgent reimagining of the future of israel in stranger in a strange land prochnik revisits the life and work of gershom scholem whose once prominent reputation as a freud like interpreter of the inner world of the cosmos has been in eclipse in the united states he vividly conjures scholem s upbringing in berlin and compellingly brings to life scholem s transformative friendship with walter benjamin the critic and philosopher in doing so he reveals how scholem s frustration with the bourgeois ideology of germany during the first world war led him to discover judaism kabbalah and finally zionism as potent counter forces to europe s suicidal nationalism prochnik s own years in the holy land in the 1990s brings

him to question the stereotypical intellectual and theological constructs of jerusalem and to rediscover the city as a physical place rife with the unruliness and fecundity of nature prochnik ultimately suggests that a new form of ecological pluralism must now inherit the historically energizing role once played by kabbalah and zionism in jewish thought
