Marsilius of Inghen, Quaestiones super quattuor libros Sententiarum, Volume 3, Super primum, quaestiones 22-37 2014-09-25

marsilius of inghen s sentences commentary is a crucial piece of evidence in the history of thought between ockham and luther covering almost the complete range of items important in pre modern philosophy and theology the part edited here is concerned with the trinity dealing with the unity and the distinction of the divine persons it addresses the use of logic in theology the dialectics between authority and reason and reveals new evidence on the debates between realists and nominalists at the universities of paris and heidelberg the present edition provides the reader a first critical text based on an assessment of all textual witnesses thus offering an indispensable tool for uncovering the intricacies of scholasticism at the eve of reformation

Teuffel's History of Roman Literature 1891 an exhaustive alphabetical list of all the principal words that were used in libro de buen amor

A Concordance to Juan Ruiz Libro de Buen Amor 1977-01-01 a history of the inquisition of spain in 4 volumes is one of the best known works by the american historian henry charles lea the spanish inquisition officially known as the tribunal of the holy office of the inquisition was established in 1478 by catholic monarchs ferninand ii of aragon and isabella i of castile it was intended to maintain catholic orthodoxy in their kingdoms and to replace the medieval inquisition which was under papal control it became the most substantive of the three different manifestations of the wider catholic inquisition along with the roman inquisition and portuguese inquisition the inquisition was originally intended primarily to identify heretics among those who converted from judaism and islam to catholicism the regulation of the faith of newly converted catholics was intensified after the royal decrees issued in 1492 and 1502 ordering muslims and jews to convert to catholicism or leave castile the inquisition was not definitively abolished until 1834 during the reign of isabella ii after a period of declining influence in the preceding century the spanish inquisition is often cited in popular literature and history as an example of religious intolerance and repression

History of the Inquisition of Spain 2023-12-17 this edition contains quaestiones 1 5 of book iii of the commentary on the sentences by marsilius of inghen 1396 the founding rector and first doctor of theology of the university of heidelberg these questions are devoted to the christology mariology and trinitology and deal with the issue of the incarnation of christ with quaestiones 1 3 considering it in relation to the individual persons of the trinity and quaestiones 4 5 in relation to the blessed virgin mary in all questions marsilius advocates the via media of sound faith even above any school traditions

Outlines of Lectures 1894 richard kilvington s commentary on aristotle s nicomachean ethics 14th century offers a unique perspective of argumentation by applying concepts and terminology from the fields of logic and physics to ethical dilemmas

Marsilii de Inghen Quaestiones super quattuor libros "Sententiarum" 2024-06-20 in 1546 forty four years after the final voyage of christopher columbus and while the spanish conquistadors swept through the americas alonso mudarra published his tres libros de música three books of music these books devoted primarily to music for the vihuela voice and harp also contain six pieces that are described by the new harvard dictionary of music as the earliest printed music for the guitar in this case that would be the 4 course renaissance guitar in guitar music from tres libros de música george washington university guitar instructor eric waters has transcribed and edited these six selections from the original 16th century tablature each piece is presented both in standard

musical notation and in a modern adaptation of the original tablature with mensural rhythms printed above tablature and music are printed separately to eliminate page turns the companion cd for this book was recorded on a 1995 José Ramírez 1 a traditional concert guitar 650 mm string length with a capo at the third fret to better approximate the range of the renaissance guitar and facilitate use of the original fingering while the renaissance guitar was tuned proportionately the same as the first four strings of the modern guitar d g b e low to high the 1st piece in the book is tuned like a 4 string version of dropped d tuning c g b e these arrangements judiciously avoid the use of the 5th and 6th strings of the modern guitar to better emulate the original renaissance model

A History of Roman Literature 1873 the servian commentaries on vergil are doubly distinguished they are among the very few ancient commentaries on classical latin texts to survive essentially intact and they exist in two radically different forms the original commentary created by the grammarian servius early in the fifth century emphasizing grammar and syntax and an augmented version produced in the seventh century when a reader blended his servius with much other recherché ancient lore in the 1920s the medievalist edward kennard rand undertook to produce a truly modern edition that would fully reveal for the first time the character of the commentaries two versions all did not go smoothly however a volume devoted to aeneid 1 2 appeared in 1946 and another with the commentaries on aeneid 3 5 in 1965 this edition of the commentaries on aeneid 9 12 is the first new contribution to the series to appear in more than fifty years on his death in 2013 charles e murgia left publishable versions of the text upper and lower critical apparatuses and large parts of the introduction and he had gathered most of the data for a testimonial apparatus robert a kaster completed the work on the testimonia and introduction using some of murgia's other writings to supplement the latter added some subsidiary elements and prepared the whole for publication thanks primarily to murgia's work this edition is superior to its predecessors in the series and to all other editions of servius in every respect

The Imperial period 1873 john buridan d 1361 was one of the most talented and influential philosophers of the late middle ages his fame extended far into the seventeenth century and underwent a revival in the twentieth century when the french physicist pierre duhem rediscovered his manuscripts and wrote studies about them so far very few of buridan's works have been edited two different questions commentaries on aristotle's de generatione et corruptione by buridan have been preserved they originated in his classroom neither of them has ever been edited this book presents a critical edition of the question commentary that survived in the greater number of manuscripts and which was particularly popular at central european universities medieval and early modern science 14

10 Books in 1 - 10 Libros en 1 (Super Pack) - English Spanish Books for Kids (Inglés Español Libros para Niños) 2019-03-21 este libro te ayudará a conocer y vivir mejor la palabra de dios que leemos los domingos conversar con Jesús sobre aspectos importantes de tu vida enriquecer tu eucaristía dominical al comprender mejor la liturgia fortalecer tu espiritualidad vocación y misión cristianas 34 sesiones para jóvenes centradas en las lecturas dominicales organizadas en momentos de oración reflexión y acción animadas con el mismo espíritu que la biblia católica para jóvenes diseñadas con un proceso de lectio divina apropiado para jóvenes contienen oraciones y pautas para orar personal y comunitariamente comentarios bíblicos y litúrgicos actividades comunitarias y celebraciones de fe reflexiones sobre la vida diaria y situaciones especiales Útiles para planear retiros y sesiones de pastoral juvenil preparar homilias y sesiones catequéticas enriquecer la espiritualidad de la juventud

Richard Kilvington's Quaestiones super libros Ethicorum 2016-10-05 compiled by art historians literary scholars musicologists and historians this essay collection is an innovative and interdisciplinary study of queen henrietta maria and her multi faceted roles and responsibilities elements of the queen's popular biography her european identity and devout catholic faith are only a part of the backdrop against which henrietta maria is re considered drawing on the expertise of an international group of scholars from different disciplines these essays explore and shed new light on the queen's various roles a patron of performing and visual arts with taste and influence comparable to her husband's her salient political position between the french and english courts and her political sentiments at the outbreak of the english civil war through cutting edge archival research that includes investigations into household accounts and personal correspondence this collection ultimately presents a new assessment of female power and influence at the early modern court what becomes strikingly evident is that henrietta maria had a distinct and profound influence on material and political culture that deserves the attention of art history literature theatre and musicology scholars

Guitar Music from Tres Libros de Musica 2011-08-18 this volume presents the first critical edition of books i ii of the final redaction of john buridan's questions commentary on aristotle's physics the edition is accompanied by a detailed guide to the contents of buridan's questions

The Fine Arts 1893 stuart stirling tells the history of the inca princesses and of their conquistador lovers and descendants the detailed human stories of the princesses bring to life the world of the incas and their conquerors and shed new light on the darker corners of colonial history
