1959

the bahamas is a country located in the north atlantic ocean consisting of more than 700 islands and cays in the lucayan archipelago it is known for its clear turquoise waters white sand beaches and abundant marine life making it a popular vacation destination for tourists the country s capital nassau is located on the island of new providence and is home to the majority of the country s population the bahamas has a rich history dating back to the pre columbian era with indigenous tribes inhabiting the islands the islands were later discovered by european explorers and were claimed by the spanish empire over the centuries the islands were ruled by various colonial powers including the british and the french before finally gaining independence in 1973 the country has a diverse culture influenced by its history and its proximity to the united states the official language is english and the majority of the population practices christianity

G. L. A. T. Social Studies Practice Test Workbook

1963

this deeply researched clearly written book is a history of black society and its relations with whites in the bahamas from the close of the american revolution to emancipation whittington b johnson examines the communities developed by free bonded and mixed race blacks on the islands as british colonists and american loyalists unsuccessfully tried to establish a plantation economy the author explores how relations between the races developed civilly in this region contrasting it with the harsher and more violent experience of other caribbean islands as well as the american south interpreting church documents and colonial office papers in a new light johnson presents a more favorable conclusion than previously advanced about the conditions endured by victims of the african diaspora and by creoles in the bahama islands he makes use of an impressive and important body of archival and secondary research race relations in the bahamas will be of great interest to southern historians historians of slave societies and black communitites scholars of race relations in general and general readers in the bahamas

Micropaleontology

1963

three men escaped from alcatraz on june 11 1962 freddie pinders mom died in may of 1962 he was almost five years old at the time freddie went to live with his great aunt in a remote region of grand bahama island in june of 1962 about a month later in july of 1962 three mysterious white men came by boat and lived in the bush behind his great aunts farm they lived behind her farm for years at first they came daily to their home for water and food after a while freddies cousin helped them to dig and construct a well in alcatraz escapees in the bahamas you will learn about the daily lives of these men who look just like the mug shots of the three escapees you will discover the story of how a young bahamian boy used to go fishing with alcatraz escapee alleged clarence anglin on this island within this book you will be comparing photos of this man to the mug shot of clarence anglin the discourse that freddie pinder and peter wohlfelder had with us marshals the fbi and a criminal photo expert will be disclosed you will read how these three escapees went from living as prisoners on alcatraz island to living as free men on a lush subtropical island

Geological Survey Professional Paper

1975

this volume a detailed empirical study of the creole english spoken in the bahamian capital nassau contributes to our understanding of both urban creoles and tense aspect marking in creoles the first part traces the development of a creole in the bahamas via socio demographic data and outlines its current status and functions vis à vis the standard in politics the media and education the linguistic chapters combine typological and variationist methods to describe exhaustively a comprehensive grammatical subsystem past temporal reference offering a discourse based approach to such controversial categories as the preverbal past marker the quantitative analysis of variable past inflection finally tests not only well known constraints such as stativity or social class but also ethnographically determined ones such as narrative type its results are relevant not only to the study of caribbean english lexifier creoles and related varieties such as african american english but also to variation and change in urban dialects generally
