tell me its pedigree and i ll
 according to legend this pungent comment was made by the great tazio nuvolari when a manufacturer
 asked him to drive a new car in the german grand prix west germany s auto union products the front
 wheel drive dkw 750 and the larger auto union s 1000 series are direct descendants of the famous auto
 union racing cars that nuvolari was later to drive to victory in the british and german grand prix races and
 which literally cleaned up on the racing tracks of europe before world war ii ended peaceful competition
 between great automobile marques these were the cars that would do 205 mph weighed a mere 2 508
 pounds and were constructed with what one writer describes as an unearthly kind of superior
 craftsmanship 1961 keith ayling step by step projects cover the latest information on panel adhesives
 improved repair strategies unibody vehicles media blasting panel overhaul and replacement and tools and
 techniques for water based paint products fully illustrated sections include how to detail for show
