baseball pioneer j l wilkinson 1878 1964 was the owner and founder in 1920 of the famed kansas city monarchs of the negro leagues the only white owner in the negro national league nnl wilkinson earned a reputation for treating players with fairness and respect he began his career in iowa as a player later organizing a traveling women s team in 1908 and the multiracial all nations club in 1912 he led the monarchs to two negro leagues world series championships and numerous pennants in the nnl and the negro american league during the depression he developed an ingenious portable lighting system for night games credited with saving black baseball he resurrected the career of legendary pitcher satchel paige in 1938 and in 1945 signed a rookie named jackie robinson to the monarchs wilkinson was posthumously inducted into the national baseball hall of fame in 2006 joining 14 monarchs

A Hard World 2016-09-01

from Tolkien to Star Trek and from Game of Thrones to The Walking Dead, imaginary worlds in fantastic genres offer us complex and immersive environments beyond capitalism. This book examines the ways in which these popular storyworlds offer valuable tools for anticapitalist theory and practice, building on Hardt and Negri's concept of empire as a way of understanding globalization. Science fiction, fantasy, and politics shows how popular fantastic fiction has the potential of offering more than a momentary escape from capitalist realism in the age of media convergence and participatory culture. The book approaches fantastic world building as an ideologically ambiguous way of imagining alternatives to global capitalism by approaching transmedia world building both as a narrative form and as a growing industry derived from fan culture. It shows, on the one hand, the limitations inherent in the political economy of popular genre fiction, but at the same time, it also explores the productive ways in which fantastic storyworlds contain a radical energy that can give us new ways of thinking about politics, popular culture, and anticapitalism.

Froch 2014-10-09

Phil the Power Taylor is the uncontested king of darts, his sixteen world championship titles between 1990 and 2013 far outclassing anything else the game has seen. He started out as a protégé of Eric Bristow, the crafty Cockney having wandered into his Burslem pub with a set of darts. His wife had given him for his birthday at that time. Taylor was earning 52 a week working in a ceramics factory and
